Friday, March 3, 2023

Clovis East High School - 2940 Leonard Ave, Clovis, CA 93619

Hello SJVCGPR Circuit,

Happy Music in our Schools Month! March has been officially designated by NAFME for the observance of Music in Our Schools Month! The time of the year when music education becomes the focus of schools across the nation. What a great way to celebrate music education and pageantry by showcasing our incredible students. We are excited to welcome you all back to the campus of Clovis East and look forward to the continued growth of your winter programs. A few reminders, we are going to continue to re-evaluate shows and we will work with our chief judges to see if any final re-classifications should take place as we prepare for show #4. Lastly, thank you all for your continued support and survey comments. As we continue to improve on ways to better help serve YOU and your students, we want you to know that we are looking at everything possible to make our events as smooth and well ran as possible for our SJVCGPR community.

See you soon,

SJVCGPR Circuit Team

Restrooms:

Restrooms are located between the two gyms, on either side of the snack bar. Extra restrooms are also located in the locker rooms.

Warm Up – Please Read!

Color Guard units may warm up on the tennis courts after 4:30 PM

Percussion units are NOT permitted to warm-up in the tennis courts. Please see the attached map for designated areas. Percussion unit warming up on the tennis courts will be asked to move, and possibly be assessed a penalty at the discretion of the circuit administration. In general, percussion units should warm up away from both performance gyms. Please use good judgement on whether noise will bleed into a performance gym. Any groups warming up too close to a gym will be asked to move.

Floor Use in Warm Up:

Units are NOT allowed to rehearse on their show floors in warm-up. Any unit found rehearsing on a floor in warm-up may be assessed a penalty. The reasoning behind this rule is that your show floor may bring in debris, dirt, water, etc. into the gym and disrupt the circuit floor. Any debris brought into the gym from your floor *must* be cleaned up before your interval time is clocked in by the timing & penalties judge. For this reason, we advise that you do NOT open your floors in warm-up! *If you have a practice/warm-up floor you want to roll out, this is at your discretion.*

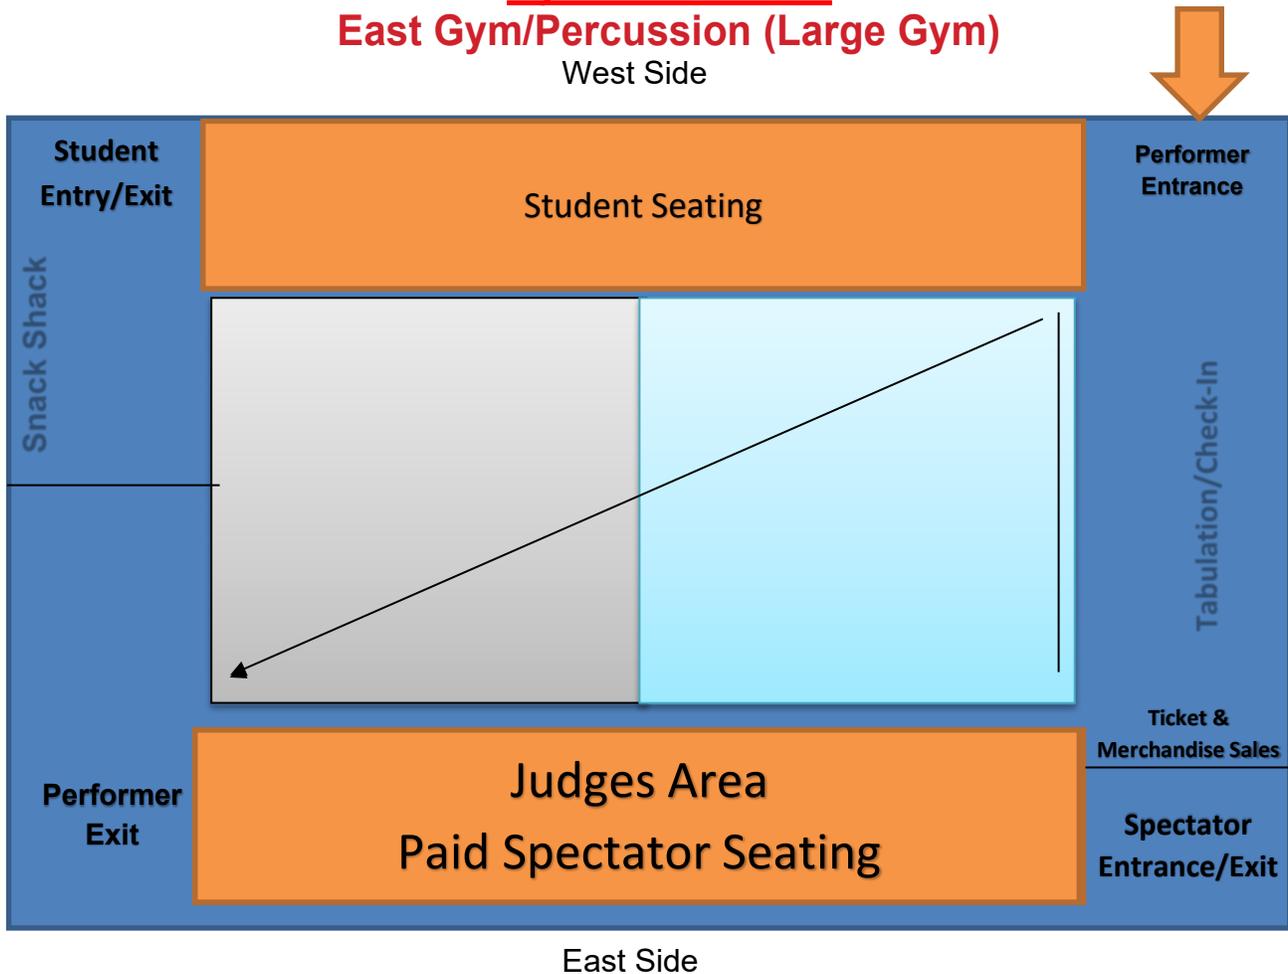

In case of rain, a rain plan will be emailed and texted out. Please have your phone number and email connected with your member profile so you can receive updates from administration.

Gym Entrance/Exit

Please refer to the flow chart attached. The timing & penalties judge will help tell you when to move to enter the floor. There will be a show volunteer to help escort your groups into the gym.

Your performance interval time will begin when a member crosses the center line, and your time will stop when the last person/piece of equipment crosses the center line towards the exit. If a show is running behind, volunteers may ask that you stage your group inside while the current group is performing, to get the show back on schedule. Please comply with any direction's volunteers give you, as they have been instructed to do so, by the timing & penalties judge or circuit administration. Remember, they are there to help!

Gym Flow Chart: **East Gym/Percussion (Large Gym)** West Side

Floor Folding:

No Rain: Immediately on the exit of the Gym(s) there is an outdoor grass or basketball area. This is a great place to fold your floor after your performance. Please be courteous to other groups in this area as well, and make sure your floor is folded and out of the way before the next performance has concluded. Please fold your floor in a timely manner so that the next group can use this space to fold as well.

Problems?

Inevitably, problems may arise on these busy (but great!) days. We are available to solve any issues or answer any questions you or your staff may have.
