The boys' and girls' locker rooms will be open and available for students to change. Locker rooms are located between the two gyms. Please always have adult supervision with your students in the locker room. Please remind your students/instruct them not to leave ANY personal items in the locker rooms or lockers. The locker rooms are strictly for changing, not for storage. SJVCGPR is not responsible for any lost, stolen, or damaged items. Please remind your students to treat this facility well, so that we may continue to have access to locker rooms in the future.

Restrooms:

Restrooms are located between the two gyms, on either side of the snack bar. Extra restrooms are also located in the locker rooms.

Warm Up – Please Read!

Color Guard: Units may warm up on the tennis courts after 5:30 PM.

Percussion: Units are NOT permitted to warm-up in the tennis courts. Please see the attached map for designated areas. Percussion units warming up on the tennis courts will be asked to move and possibly assessed for penalties at the discretion of the circuit administration. In general, percussion units should warm up away from both performance gyms. Please use good judgment on whether noise will bleed into performance gym(s). Any groups warming up too close to a gym will be asked to move.

Floor Use in Warm Up:

Units are NOT allowed to rehearse on their show floors in warm-up. Any unit found rehearsing on a floor in warm-up may be assessed a penalty. The reasoning behind this rule is that your show floor may bring in debris, dirt, water, etc. into the gym and disrupt the circuit floor. Any debris brought into the gym from your floor must be cleaned up before your interval time is clocked in by the timing & penalties judge. For this reason, we advise that you do NOT open your floors in warm-up! *If you have a practice/warm-up floor you want to roll out, that is at your discretion.*

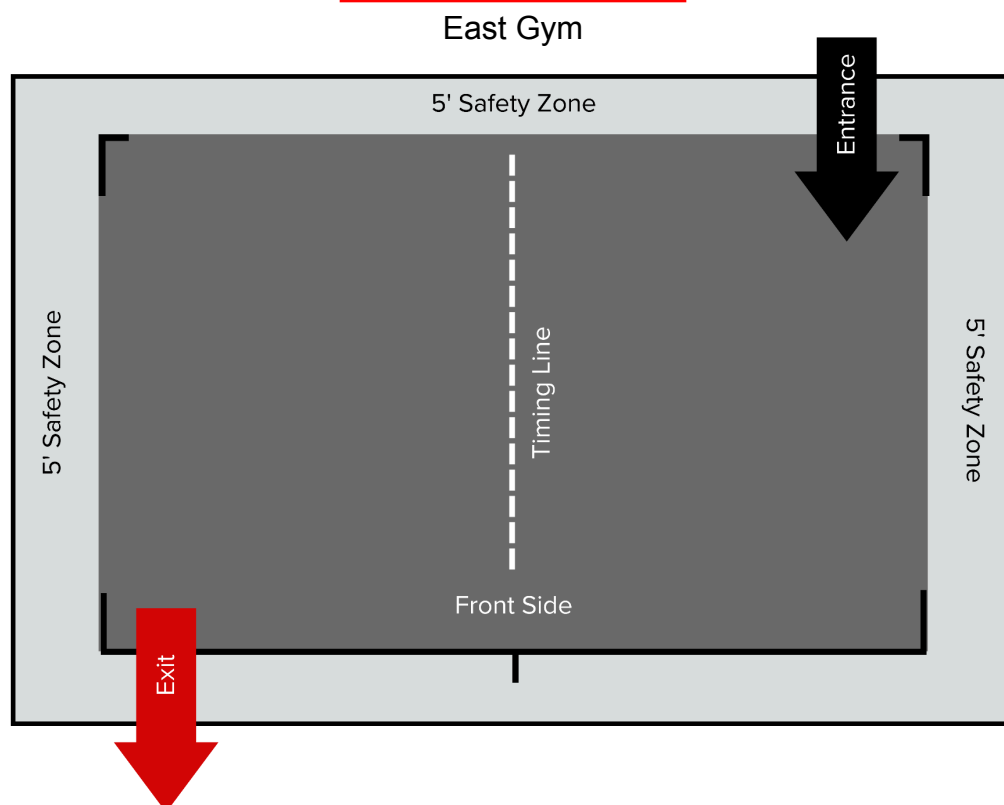

In case of rain, a rain plan will be emailed and texted out. Please have your phone number and email connected with your member profile so you can receive updates from administration.

Gym Entrance & Exit

Please refer to the flow chart(s) below and the logistics map at the end of the packet; the black and red arrows line up on BOTH maps to help with orientation.

The timing & penalties judge will help tell you when to move to enter the floor. There will be a show volunteer to help escort your group(s) into the gym. Your performance interval time will begin when a member crosses the center line, and your time will stop when the last person/piece of equipment crosses the center line towards the exit. If a show is running behind, volunteers may ask that you stage your group inside while the current group is performing, to get the show back on schedule. Please comply with any directions volunteers give you, as they have been instructed to do so by the timing & penalties judge or circuit administration. Remember, they are there to help!
