- Student Wristbands: required for performance, provides access to back bleachers after performance
- Chaperone Wristbands: 1 for every 8 performers, required for performance, provides access to the back bleachers after performance
- Director and staff badges and lanyards: required for entry and hospitality

Warm-Up

Warm up spaces are not assigned because there is plenty of space.

Out of professional courtesy, please aim metronomes and full ensemble sounds away from each other.

Percussion Equipment and Props

You may leave the props in the “prop staging” area, (see map on previous page) as long as they are against the walls and not blocking roads. Please keep your storage zone neat and accessible so other units may effectively use the space, as well.

First Aid

Should any of your students or staff need medical attention first aid can be found outside of the gym by the spectator entrance.

Hospitality

Hospitality will be in the PE Overflow Room, near the concession area to the north of the gym..

Day-of Contact

If you have any urgent needs on the day of the competition please contact Arwen Hernandez at 310.435.1686.
