### *Arrival of your Buses and Trucks*

Buses will park in the main parking lot in front of the school, adjacent to the 6 warm-ups zones provided for each ensemble. Please see the image below for more information. We will work with your group to keep your entourage parked together.

*Check-in Location:* near the spectator lot by the gym. Look for the “heart” (♥)

symbol labeled on the map. Directors arriving separate, we will have designated VIP parking for you nearest the band entry/exit and our hospitality tent.

## *Site Overview*

## *Wristbands & Staff Badges*

Directors will receive this packet upon check-in and receive **wristbands for each performer** (required for re-entry into the stadium after their performance). The performer wristbands will give them access to the visitor side stands. Performing groups are welcome and encouraged to watch other bands on the visitor side (see visitor side bleachers pdf for assigned areas).

We are happy to provide chaperone support passes (1 for every 10 performers). If chaperones wish to sit on the home side, they will need to purchase a regular show ticket.

## Warm-Up

Full band warm-up, color guard warm-up, and percussion warm-ups can be done in the quad areas of our campus. Due to proximity to the stadium and respect to the performing units, do not play music or mets in areas close to the stadium.

We have designated each of the warm-up zones on campus for each group, and have kept them purposefully distanced from the stadium. Please aim metronomes and full ensemble sounds away from the stadium so as not to interfere with show logistics.

## Warm-Up Zones

**Warm up areas #1-#6** for Winds and Percussion. Your guard is welcome to use the same zone, as well, or...

**Guard Warm up area A-D** on the tennis courts. The lights on the tennis courts are activated by pushing the buttons. When the orange/yellow lights begin flashing be sure to hit the button to keep them on. If you are late to hitting the button, the lights will turn off and have about a 10-15 cool down period before turning back on.

**Note:** electrical boxes on campus are unlocked and accessible for your pits to plug into.

## *Percussion Equipment/Props*

Please make sure you have adequate staff and means to assist the moving of your percussion equipment and props to and from the performance area. Absolutely no trucks or vehicles of significant weight will be allowed on the track.

We ask that all pit percussion sections arrive at least ONE band prior to your groups' scheduled performance time. Front ensembles will enter AND exit at the same entrance on the Southeast entry of the stadium.

Please note there is plenty of space for prop staging. However, ***please keep your storage zone neat and accessible*** so other units may effectively use the space, as well.

**Note:** locker rooms and restrooms are located in the prop staging and storage zone and near where the units will be lining up for performance.

## *Enhanced Image: Prop Staging, First Aid and Check-in*

**MAP SYMBOLS:** Check-in (heart) First Aid (red cross) Hospitality Tent (star) restrooms/locker rooms (triangular)

## *Band Entry/Exit Point*

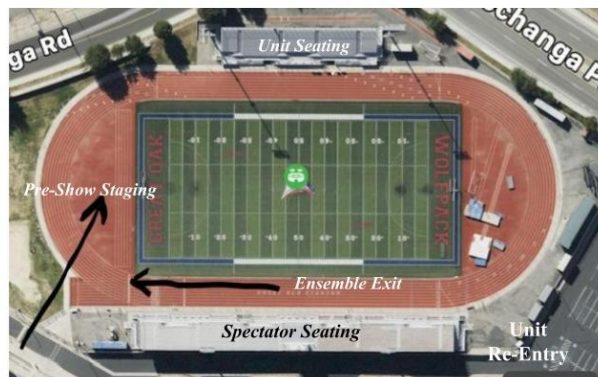

All performing groups will enter and exit at the Southeast entry gate to the stadium.

The Band that is “on deck,” will pre-set on the track outside of the Southeast end zone to leave room for the parting band (see map).

Be sure to have your group positioned to enter the field one full performance slot (13/15 minutes) ahead of your own. Late arrival to the gate will cause a traffic jam of the departing band and may cause a timing penalty. Please plan accordingly.

## *Spectator Viewpoint*

### *Stadium Map*

***\$12 spectator entry***

## *Spectator Parking*

Spectator parking is free and available in our two parking lots surrounding the stadium. Our Stadium Lot and the Sr. Lot (located at the rear of the stadium) are dedicated to spectators.

## *Spectator Admissions*

Admission to our event is \$12, and kids 5 and under are free. A variety of food and beverages will be on sale for students, chaperones, and band parents. This is a fundraiser event and we encourage all participants to support the Spirit of Great Oak by purchasing food at the concession stands in the stadium.

## Rainy Day Plan

Performances will be moved into the gym. Each unit will be given a designated time to warm-up in our performing arts center. The gym dimensions will allow each group to perform in arcs and provide space for your color guard to perform on either side of the ensemble, as well as behind. Unit entry will be from the front east gym entrance; units will exit via the back west side doors. Prop use is subject to fitting through the gym entries and exits.

## Announcements & Air Grams

There is a CSBC announcer for this event. We will be utilizing the most up to date announcement forms from CSBC. Please confirm your information is correct on the CSBC Spreadsheet, via Competition Suite: <https://competitionsuite.com/>

Spectators, Students, Staff and Fans will have an opportunity to purchase "air grams," to be read before and after an ensemble's performance.

## Concessions

The students and parents in the Spirit of Great Oak have certainly enjoyed the variety of concessions offered at each of the shows we've attended. Thank you for inspiring us!

Students will have full access to concessions and vendors. Please recommend your students bring cash to buy dinner at concessions as not all vendors will accept credit/debit.

**PLEASE NOTE:** No food services or barbeques are permitted on campus or in the parking lots except in those areas designated by the fire marshall (stadium). Thank you for your help and compliance.

## Please Share Our Menu

Please share our menu with your band & guard family. We've also provided a QR Code for easy capture.

## Vendors

SOGO is proud to host apparel, and acai bowls as our select vendors, in addition to our concessions.

## Hospitality

To show our gratitude for your participation in our event, we have a hospitality area prepared for our guest directors and staff. Directors will also receive a gift on behalf of our boosters - the students seem to love patches, we suspect their directors do too. If not, feel free to bestow upon a deserving team member. Our hospitality area is imagined and sponsored by our amazing SOGO Boosters. Enjoy!

## *Awards Ceremony*

Please have your leaders line-up in order of performance on the track at the southeast (performer entrance) side of the stadium following the last performance.

The awards ceremony will begin approximately 30 minutes after the last performing group. A meet & greet period will be held near the Southeast end of the stadium (near hospitality).

The Temecula Valley and Great Oak Drumlines will play each of the respective groups onto the field. The Leaders will be assigned a yard line or split to parade to, and will proceed to that yardline (on the front sideline) when the announcer introduces you.

## *Unit Seating in the Stands and Endzone*

Upon completion of your band's performance, please make sure they have wristbands to re-enter the stadium. Re-entry is on the opposite side of the spectator bleachers near the Northwest endzone and our concession stand (see previous map). Ensembles have been designated seats on the visitor side and on each side of the endzone to watch the field shows & awards ceremony (please see the attached image).
