MISSION STATEMENT

Through articulated partnerships, advocacy and philanthropy, CSBC will convene, unify, and support school and independent band organizations in an education based competitive environment.

VISION STATEMENT

CSBC will be a nexus for music competitions throughout the region. We will be:

- Recognized as a facilitator of quality competitive events
- Recognized as innovators
- Recognized as a leader in performer achievement
- Promoter of new constituents
- Advocates for the arts

CONTACT INFORMATION

Mailing Address: California State Band Championships
PO Box 54
Chino Hills, CA 91709

Telephone: 909-731-6871

BOARD OF DIRECTORS

President	A.K. Kist
Vice-President	Michael Spillman
Treasurer	Sarah Mondt
Secretary	Michael Lloyd

ADMINISTRATIVE STAFF

Director of Operations	Carl W. Nelson
SWJN President	Dr. Timothy Bengé
SWJN Vice-President/Chief Judge	Kevin Bell
SWMEA Marketing Coordinator	Bailey Aldrich

The California State Band Championships (CSBC) governs all California State Band Championship (CSBC) events. All rules and regulations are deliberated by a designated rules committee comprised of Directors, Instructors, and Judges. California State Band Championships is a registered trademark of Southwest Music Education Association (SWMEA) and all events must be sanctioned by the Board of Directors of CSBC. The Southwest Judges Network (SWJN) provides adjudication for all CSBC events. CSBC and SWJN are subsidiary organizations of SWMEA.

REGISTRATION

All registration must be completed online through the Competition Suite website (www.competitionsuite.com). Registration for events must be completed at least 15 days prior to an event. Completed registration includes online registration through the Competition Suite website and full payment of registration fees by either check or credit card by September 30. If an ensemble registers for an event after September 30, registration must be paid by credit card only. Ensembles registered for events but have not paid in full will be removed from the schedule 14 days prior to the event.

CANCELLATION

All cancellations must be completed through the Competition Suite website. If you must cancel a performance at an event you have already paid for, you must contact CSBC by e-mail (info@calstatebandchamps.org) to be issued a refund. Cancellations completed at least 15 days prior to an event will be fully refunded. Cancellations received within 14 days of an event will not be refunded and the ensemble will be assessed a \$100 cancellation fee that must be paid in full prior to inclusion at future events. No registrations or cancellations will be accepted or processed by any other means.

SCORING

Competition Suite will be used for all score entry and digital commentary. All adjudication takes place from the press box level. All final scores at all CSBC events will be based on the following composition:

1. Music Performance (200 points) – The Music Performance sheet accounts for 20% of the total score. The Music Performance judge uses two sub-captions consisting of “Ensemble Quality of Achievement” and “Individual Training, Accuracy & Definition”.
2. Visual Performance (200 points) – The Visual Performance sheet accounts for 20% of the total score. The Visual Performance judge uses two sub-captions consisting of “Ensemble Quality of Achievement” and “Individual Training, Accuracy & Definition”.
3. Music Effect (200 points) – The Music Effect sheet accounts for 20% of the total score. The effect Visual judge uses two sub-captions consisting of “Content Effectiveness” and the “Performance Effectiveness”.
4. Visual Effect (200 points) – The Visual Effect sheet accounts for 20% of the total score. The Visual Effect judge uses two sub-captions consisting of “Content Effectiveness” and the “Performance Effectiveness”.

5. Percussion (100 points) – The Percussion sheet accounts for 10% of the total score. The Percussion judge uses two sub-captions consisting of “Content” and the “Achievement”.
6. Color Guard (100 points) – The Color Guard sheet accounts for 10% of the total score. The Color Guard judge uses two sub-captions consisting of “Content” and the “Achievement”.

All final scores at all CSBC events will be based on the following:

Music Performance	20%
Visual Performance	20%
Music Effect	20%
Visual Effect	20%
Percussion	10%
<u>Color Guard</u>	<u>10%</u>
Total	100%

COMPETITIVE DIVISIONS

Ensemble administrators will register their ensembles based on the total number of student performers. Total performers include winds + percussion + auxiliary. The drum major(s) will not be counted in the performer count unless they actually participate as a performer in the program (anything other than conducting). Divisions are determined by the following performer count:

Division 1A	1-35
Division 2A	36-50
Division 3A	51-70
Division 4A 7	1-100
Division 5A	101-140
Division 6A	141+

Ensembles may compete in divisions with higher performer counts without penalty. If they choose to do so, an email must be submitted no later than September 1st to the Director of Operations, Carl W. Nelson (carl.nelson@calstatebandchamps.org).

Changes of divisions can be made up to 14 days prior to the ensemble’s first competition. Once an ensemble has performed in competition, ensembles will be locked into the division they competed in. In the event an ensemble registers and performs in the incorrect division at its first show, the Head Judge will contact the ensemble’s director prior to the awards ceremony and decide on one of the following:

1. Stay in the original division and receive a penalty for an excessive number of performers. Changes in the performer count will need to be made to avoid penalties in subsequent competitions.
2. Immediately withdraw from the show as a competitor and only receive judge's commentary as an exhibition group; scores will not be given. The ensemble will be reclassified into the correct division at future shows. The ensemble will still need to compete in two shows to be eligible for Semi-Finals.

PENALTY: Ten (10) point penalty for an excessive number of performers
--

STUDENT/PARENT/INSTRUCTIONAL STAFF BEHAVIOR

Head Judges may at any time penalize or disqualify an ensemble if there is any behavior from a parent, student, or instructional staff member that is seen as inappropriate, threatening, or an interference with any of the judges' or show staff's duties.

PENALTY: Disqualification

AUDIO MIXING

All audio mixing (adjusting balance/volume) shall be done either at the field/track level in plain sight or an area designated by the Head Judge. Samples may only be performed by a student performer. The audio board may be remotely monitored via a smartphone, tablet or laptop, but must use the area designated by the head judge.

PENALTY: Five (5) point penalty up to disqualification at the discretion of the Head Judge for failure to operate the mixing board in the designated area
--

WARM UP

There will be an area designated for performers to warm up that is outside of the aural and visual vicinity of the Performance Area.

Competing ensembles and their accompanying instructional staff may not intentionally create noise interference in warm up areas or while entering and/or exiting the performance area. This includes, but is not limited to, playing (e.g. drum cadences), loud metronomes, and PA systems.

PENALTY: One (1) point penalty per infraction
--

ENTRY

All performers must enter the performance area through the designated entry area. Prior to the actual start of the performance time, the ensemble may utilize the entire performance area for set up and pre-show preparations.

Props and equipment must also enter the performance area through the designated entry area. Props may not be assembled near the performance area in order to minimize distraction from the preceding performance. Following the end of the ensemble's performance, all props and equipment must proceed to the designated exit area.

TIMING

Required performance time for all divisions:

- The ensemble may enter the performance area once the announcer says "[School Name] you may enter the field. You have four (4) minutes until final call."
- The ensemble is allowed four (4) minutes for set up and pre-show.
- One (1) minute prior to the beginning of the performance, the announcer will announce "[School Name] you have one (1) minute until final call."
- Performance Timing begins after the announcement "The California State Band Championships is proud to present [School Name]", which will not occur prior to the four (4) minutes allowed to set up.
- Performance Timing ends when the performance area is cleared of all personnel and equipment from the performance area.
- 1A/2A/3A divisions will be scheduled at thirteen (13) minute intervals.
- 4A/5A/6A divisions will be scheduled at fifteen (15) minute intervals.

PENALTY: One (1) point penalty for every thirty (30) seconds or fraction thereof that any unit is under or over the required performance times

PERFORMANCE AREA

The performance area includes the marked football field including the end zones and the surrounding surface area up to fifteen (15) feet beyond the front sideline.

PENALTY: Up to a five (5) point penalty at the discretion of the Head Judge for each performance area infraction

Use of dangerous equipment including, but not limited to, pyrotechnics, firearms, pressurized canisters, and flammable liquids is prohibited.

PENALTY: Disqualification

No performer may be on any portion of any prop where the performer's feet are more than six (6) feet above the playing surface of the performance area unless appropriate safety railing and/or other safety equipment are in place and used. If drum major podiums are higher than six (6) feet high, appropriate safety railings must be provided.

PENALTY: Five (5) point penalty per infraction

FIELD CONDITIONS

At times when environmental conditions adversely affect the performance area, an assessment will be made to determine the feasibility to continue a show. These conditions include, but are not limited to, the following: rain, fire, smoke, earthquakes, thunderstorms/lightning.

The Head Judge and Event Host will consult on whether or not a show will continue as scheduled, be delayed, be moved to an indoor location or be cancelled entirely. For CSBC Semi-Final, Division Finals, and State Finals shows, all final decisions will come from the President and/or Vice-President of CSBC. Student and public safety are always the primary concern when making all decisions. If shows proceed, participating Band Directors may always decide to withdraw their unit from competition should they deem it necessary. CSBC is not liable for any injuries to performers, staff or volunteers, nor is CSBC liable for equipment damage should a Director choose to perform. CSBC can only make reasonable decisions as to the condition of the field with the information available to CSBC staff at the time of the decision.

1. When the performance area becomes compromised for any reason, the Head Judge will immediately suspend the show to consult with the site host Band Director.
2. The Head Judge and Event Host will decide to temporarily suspend the show for up to 90 minutes to allow for weather to pass, or the field to be cleared of whatever obstruction has occurred, move the show indoors, or cancel the show entirely. If the delay is anticipated to be more than 90 minutes or if rain is impending, the show should immediately be moved indoors if possible.
3. When considering whether or not to resume a show, the Head Judge and Event Host will survey the performance area once conditions have improved. If the field conditions are acceptable to continue with performances, Band Directors will be given no fewer than 15 minutes and up to 30 minutes notice to resume the competition (depending on proximity of where the next two performing units have

- staged during the delay). The show host will be responsible for notifying all participants.
4. In the case of lightning, the event shall be IMMEDIATELY halted. Equipment will be removed from the field if safe to do so. Otherwise, all metal equipment will be left on the ground and performers will take cover under the bleachers or the closest protective covering. The show should resume only after there is no lightning for 30 minutes. If stoppage occurs in the middle of a performance, the ensemble will restart their performance from the beginning once conditions allow for the show to continue. Reasonable on field warm-up time will be granted by the Head Judge.
 5. If performances are moved indoors, ensembles will be judged as follows:
 - a. Music Performance, Music Effect and Auxiliary caption judges will judge based on the same criteria as used outdoors.
 - b. Auxiliary units will perform in a stationary position. Equipment work should be performed in a way so that it does not put any performer or spectator in danger.
 - c. Visual Effect becomes more of a General Effect commentary with emphasis on the Auxiliary unit and band appearance (visuals, body expression etc...). Visual Performance remains the same but with greater emphasis on auxiliary as well as band appearance (visuals, body expression, etc...)
 6. CSBC Qualifying
 - a. Indoor performances count as a participating event counted towards the minimum number of performances required to participate in Semi-Finals competition.
 - b. Scores from indoor performances do not count towards the scoring average for performance placement at Semi-Finals. If an ensemble is left with only one qualifying score, then that score is the average used for performance order at Semi-Finals.
 7. Refunds
 - a. No performance entry refunds are given for shows that are delayed, moved indoors, or cancelled due to field conditions. All Band Directors are asked to share in this burden with CSBC and each event host as shows are only cancelled in extraordinary situations. All efforts to host a performance indoors will be made should an outdoor performance venue be deemed unusable due to field conditions.

The Head Judge has the final decision making policy on all regular season CSBC shows, but will remain in consultation with the Event Host. All participants are considered when making decisions regarding field conditions.

EXIT

For purposes of timing, equipment and props are considered “removed” when they cross the front competition boundary line. After the equipment/props have crossed this line, they must continue to make forward progress out of the competition area. Failure to make forward progress may result in a penalty for creating a delay in the schedule.

PENALTY: One (1) point penalty for every thirty (30) seconds or fraction thereof

OTHER PENALTIES

Non-student interference, which includes movement of props or entrance into the performance field during the prior ensemble’s performance, is prohibited.

PENALTY: Up to a five (5) point penalty at the discretion of the Head Judge for each performance area offense
--

Operation of mixing boards is permitted from outside the football field boundary lines. Samples may only be performed by a student performer. See audio mixing policy above.

PENALTY: Five (5) point penalty
--

Misuse of any National Colors in accordance with the American Legion Competitive Flag Code (www.legion.org/flag/code) will result in a discretionary penalty as determined by the Head Judge.

PENALTY: Five (5) point penalty per infraction

Ensembles that damage the stadium field turf or track WILL BE held liable for the repair and/or replacement of damaged property. CSBC strongly suggests that all ensembles regularly inspect their equipment.

CHAMPIONSHIPS

Semi-Finals (November 14, 2020)

1. Ensembles wishing to compete in Semi-Finals must register by October 15, 2020, and provide payment by October 29, 2020.
2. Ensembles must compete in a minimum of two events prior to November 8, 2020 to be eligible.
3. Performance order for each division will be based on the average of the-ensemble's top two highest scores of the season.

Division Finals (November 21, 2020)

1. Division Finalists will be determined by top 50% +1 scoring ensembles from each division from Semi-Finals.
2. Performance order for each division will be based Semi-Finals placement. Groups will perform in reverse order of placement (last place first, first place last).

State Finals (November 21, 2020)

1. There will be two State Finals sites. The two sites will be divided by divisions (Divisions 1A/2A/3A and Divisions 4A/5A/6A.)
2. The three 1st place ensembles from each division at each Division Finals site will advance to State Finals. Additionally, the next 7 highest scores regardless of division at each Finals site will advance to State Finals (a total of 10 ensembles at each site). In the event there is tie for 10th place, all ensembles tied for 10th place will be included in State Finals.
3. At each State Finals site, all groups will perform and compete in one combined division.
4. Performance order for State Finals will be decided by random draw. State Finalists will draw for performance order in two groupings, 6th through 10th place and 1st through 5th place. The order of each grouping will be determined by random draw. The drawing will be done by the judging panel in the press box at each State Finals site; directors do not need to be present at the drawing. Performance times will immediately be published to the CSBC website.

COPYRIGHT

Policy Statement

All music performed at any CSBC event/show should comply with US copyright laws. Copyright compliance is vital to protect the performing ensembles and the CSBC from any potential claims of copyright infringement by the holders of said rights as well as to nurture an environment that respects the intellectual property rights of others.

Copyright Procedure

It is the responsibility of the director of each performing ensemble to obtain appropriate copyright clearances prior to the first show of the ensemble's season. The CSBC Board of Directors and its affiliates will not be held liable for non-compliance. Items needing copyright clearance is defined, but not limited to the following:

1. Original Composition, either commissioned or purchased, requires submission of the current performance license.
2. Compositions/Arrangements purchased through a retail sheet music outlet and performed as is require submission of a copy of the front page of the score showing copyright info at bottom.
3. Preexisting composition arranged for your group, including the use of an as-is wind score with revised or any alterations, including revised or added percussion parts, requires a completed Permission to Arrange agreement. Said agreement must include performance rights for the season in which it is to be used. Obtaining a Permission to Arrange agreement should be completed prior to starting to arrange or orchestrate and may take up to 8 weeks or more.
4. Information for musical arrangements of public domain music, including the date the original piece of music was written, must be submitted to Carl W. Nelson, Director of Operations (carl.nelson@calstatebandchamps.org) prior to September 1st. Please note that arrangements or transcriptions of public domain music may be subject to copyright protection.

To support directors in complying with this policy, CSBC will provide support materials and educational resources to competing directors. Also, licensing resources for those directors seeking Permission to Arrange licensing will be provided. In addition, CSBC will designate a contact person to provide clarification and additional support to competing directors in meeting the requirements of this policy.

PENALTIES

- Penalties will be assessed by the Head Judge.
- Penalties will be deducted from the “Subtotal” score and reflected in the “Total” score.
- All penalties assessed by the Head Judge are final.
- Penalties will be assessed on the official CSBC penalty sheet.
- The CSBC penalty sheet will be e-mailed to the ensemble administrator.

STANDARD LIST OF AWARDS

The following awards will be given at each regular season show:

- Ensemble placing: First through last by division
- High Percussion and High Auxiliary by Division
- High Music (one per award ceremony)
- High Visual (one per award ceremony)
- High General Effect (one per award ceremony)
- Tournament Champion (one per award ceremony)
