## How To Enter/Exit Field

You can leave props the Prop Storage area and pick them up as you head to the stadium for your performance

10 minutes prior to performance time move to holding point A. Hold in place, await further instructions.

When you are cleared to move, you will proceed to point D on the map. We ask that you keep to the left and you may pass an ensemble coming off the field.

As the previous ensemble is finishing their performance, you will be asked to move into place along the fence for pit and outside the endzone for band and color guard. You make take the field when directed by the announcer.

After your show has finished, pit and props should exit via the same gate they entered. Beware of incoming ensemble. Please keep to the left side of the path. Marching Band/ Color Guard will exit via the gate at the opposite end of the stadium that they entered labelled point E on the map. Props can be placed back in prop storage or moved immediately to the parking area.

## **THE HOSPITALITY ROOM (staff lanyards only please)**

The Director's Hospitality Room will be located near the spectator entrance adjacent to the field.

## **FIRST AID**

For minor first aid needs, there is a first aid station near the spectator entrance to the stadium.

## **ELECTRICAL POWER**

Electrical power is available at the field level on the front of the field near the 50 yard line. If we blow a fuse, it is the competitor's responsibility to have a back-up source of electrical power.

## **PERFORMER RE ENTRY AND SEATING**

Performers may re-enter the stadium after their performance and sit in the visitor's stands. We will not designate specific areas but please ask your students to sit together.

## **PERUSAL PERIOD**

All recap and tapes will be distributed via Competition Suite. The association has requested that directors listen to tapes if possible before distribution recaps and speaking to judges. This will allow for more informed feedback and conversation before the awards ceremony. You may then approach the head judge to speak with an adjudicator as inclined.

## **RAIN**

In the event of rain we will move the competition into our large gym. YOUR BAND WILL BE JUDGED RAIN OR SHINE. Staging will be in the MAIN gym (attached). We will judge captions as space allows. No refunds will be given.

**Staff Viewing Area/Video Taping Area**

Will be located at the top of the stands to the right or right of the press box.

**Post-Contest Critique Location**

Will be located in the area next to the stadium where ensembles enter the field.

We wish you best of skill to you and your group at the 2019 University High School's Field Show.

**Regards,**

Corey Heddon
