Arrival of your Buses and Trucks

Busses will park in the main parking lot in front of the school, adjacent to the 6 warm-ups zones provided for each ensemble. Please see the image below for more information.

Check-in is located near the spectator lot by the gym. **Look for the "heart"** labeled on the map. Directors arriving separate, we will have designated VIP parking for you nearest the band entry/exit and our hospitality tent.

Site Overview

Wristbands & Staff Badges

Directors will receive this packet upon check-in and receive **wristbands for your students** (required for re-entry into the stadium after their performance). The performer wristbands will give them access to the visitor side stands. Performing groups are welcome and encouraged to watch other bands on the visitor side (see visitor side bleachers pdf for assigned areas).

We are happy to provide chaperone support passes (1 for every 8 performers). If chaperones wish to sit on the home side, they will need to purchase a regular show ticket.

Each of the packets will include Director and staff badges and lanyards

Warm-Up

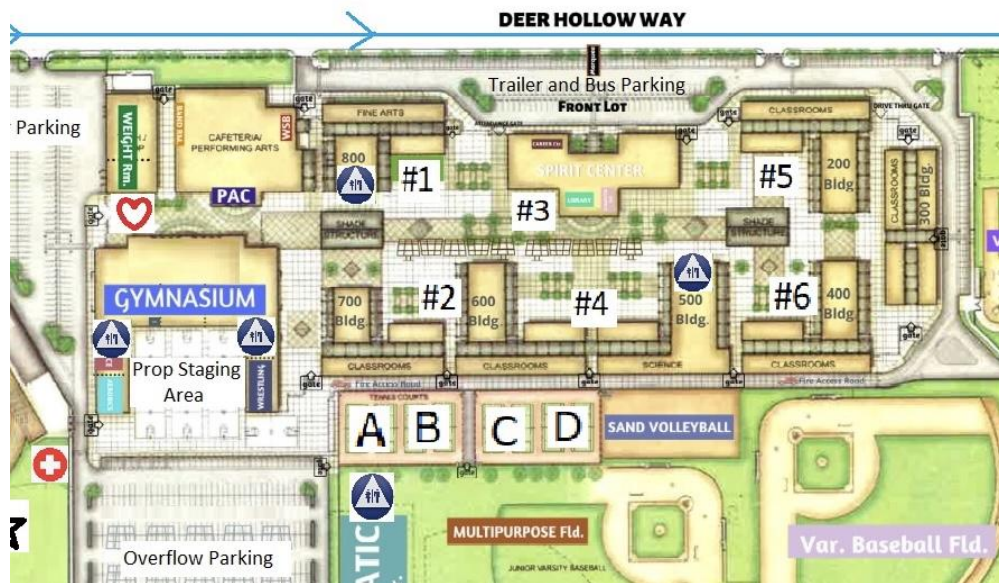

Full band warm-up, color guard warm-up, and percussion warm-ups can be done in the quad areas of our campus. Due to proximity to the stadium and respect to the performing units, do not play music in the parking lots, or areas close to the stadium.

We have designated each of the warm-up zones on campus for each group, and have kept them purposefully distanced from the stadium. Please aim metronomes and full ensemble sounds away from the stadium so as not to interfere with show logistics.

Warm-Up Zones

Warm up areas #1-#6 for Winds and Percussion. Your guard is welcome to use the same zone, as well, or...

Guard Warm up area A-D on the tennis courts. The lights on the tennis courts are activated by pushing the buttons. When the orange/yellow lights begin flashing be sure to hit the button to keep them on. If you are late to hitting the button, the lights will turn off and have about a 10-15 cool down period before turning back on.

Note: electrical boxes on campus are unlocked and accessible for your pits to plug into.

Percussion Equipment/Props

Please make sure you have adequate staff and means to assist the moving of your percussion equipment and props to and from the performance area. Absolutely no trucks or vehicles of significant weight will be allowed on the track.

We ask that all pit percussion sections arrive at least ONE band prior to your groups' scheduled performance time. Front ensembles will enter AND exit at the same entrance on the Southeast entry of the stadium.

Please note there is plenty of space for prop staging. However, ***please keep your storage zone neat and accessible*** so other units may effectively use the space, as well.

Note: locker rooms and restrooms are located in the prop staging and storage zone and near where the units will be lining up for performance.

Band Entry/Exit Point

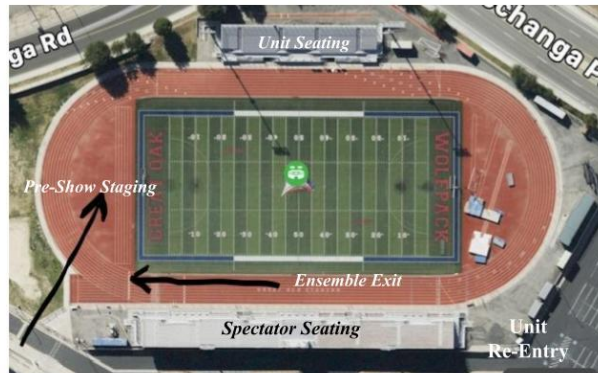

All performing groups will enter and exit at the Southeast entry gate to the stadium.

The Band that is “on deck,” will pre-set on the track outside of the Southeast end zone to leave room for the parting band (see map).

Be sure to have your group positioned to enter the field one full performance slot (13/15 minutes) ahead of your own. Late arrival to the gate will cause a traffic jam of the departing band and may cause a timing penalty. Please plan accordingly.

\$12 spectator entry

Spectator Parking

Spectator parking is free and available in our two parking lots surrounding the stadium. Our Stadium Lot and the Sr. Lot (located at the rear of the stadium) are dedicated to spectators.

Spectator Admissions

Admission to our event is \$12, and kids 5 and under are free. A variety of food and beverages will be on sale for students, chaperones, and band parents. This is a fundraiser event and we encourage all participants to support the Spirit of Great Oak by purchasing food at the concession stands in the stadium.

Unit Seating in the Stands

Upon completion of your band's performance, please make sure they have wristbands to re-enter the stadium. Re-entry is on the opposite side of the spectator bleachers near the Northwest endzone and our concession stand (see previous map). Ensembles have been designated seats on the visitor side to watch the field shows & awards

Announcements & Air Grams

There is a CSBC announcer for this event. We will be utilizing the most up to date announcement forms from CSBC. Please confirm your information is correct on the CSBC Spreadsheet, via Competition Suite.

Spectators, Students, Staff and Fans will have an opportunity to purchase “air grams,” to be read before and after an ensemble's performance.

Concessions

Students will have full access to concessions and vendors. Please recommend your students bring cash to buy dinner at concessions as not all vendors will accept credit/debit.

PLEASE NOTE: ABSOLUTELY NO FOOD SERVICES OR BARBECUES WILL BE PERMITTED IN THE PARKING LOTS.

The students and parents in the Spirit of Great Oak have certainly enjoyed the variety of concessions offered at each of the shows we've attended. Thank you for inspiring us!

Please share the menu QR Code with your students and fans

Vendors

SOGO is proud to host select vendors in addition to our regular concessions. These vendors will include a variety of different products for you to choose from.

Hospitality

To show our gratitude for your participation in our event, we have a hospitality area prepared for our guest directors and staff. Directors will also receive a gift on behalf of our boosters. The students seem to love patches, we suspect their directors do too. If not, feel free to bestow upon a deserving team member. Our hospitality area is imagined and sponsored by our amazing SOGO Boosters. Enjoy!

Awards Ceremony

Please have your leaders line-up in order of performance on the track at the southeast (performer entrance) side of the stadium PRIOR to the last performance.

The awards ceremony will begin after the last performing group (approximately 30 minutes). A meet & greet period will be held near the Southeast end of the stadium (near hospitality).

The Great Oak Drum line will play each of the groups onto the field.

CSBC Adjudication Panel

Be sure to check the numbers on your sheets and report any discrepancies to our Head Judge, Ryan H. Turner. CSBC is committed to providing quality adjudication and welcomes your comments and suggestions <https://goo.gl/forms/A5gZ1au3S8ZLe8Sv2>

You and your staff will have an opportunity to chat with the judges following the shows. We will plan to have them join us near the hospitality area. There is no formal sign up, but rather an opportunity to informally chat.
