Restrooms:

Restrooms are available on campus and inside the stadium. Please do not use restrooms as changing areas.

Warmup:

There will be assigned warm-up times in the packet you receive at check-in. Please do not warm up at your campsite. Out of courtesy for other bands, please wait until the zone is empty before moving in. It is some distance from the warmup areas to the stadium. Leave enough time to be across from the gate 10 minutes prior to your performance.

Staging:

Arrive at the band entrance gate (north end of stadium, off Huntsman Ave.) 10 minutes before your performance. Bands enter and exit via this gate; exiting bands have priority. Entering bands must stay right on Huntsman until the previous band leaves.

Props/Pit Crew:

Pit crews are required to enter the stadium through the band gate. Please ensure that you bring your own conducting podium or ladder. Electricity is available near the sideline at the 50-yard line. Motorized vehicles are not permitted on the track, so all equipment must be pushed into the stadium. A designated drop-off area is located at the corner of Thompson and Huntsman.

Stadium Announcer:

In accordance with CSBC guidelines, the announcer script will be prepared by CSBC using information submitted via Competition Suite.
