Dear Band Directors and Music Boosters:

Thank you for choosing to participate in the 20th Annual Scripps Ranch Falcon Marching Invitational. We hope your day will be both successful, educational and entertaining.

In order to make your performance the best possible, please review the enclosed materials thoroughly. We want to minimize the number of surprises to either you or us on the day of the tournament. Be advised that the on-site EMERGENCY PHONE NUMBER will be (858) 752-7895. This is the cell phone that will be carried the entire day by Mr. Russell Shedd, the Scripps Ranch Band Director.

It is very important that you adhere closely to the warm-up and performance schedule printed later in this packet. Please plan your changing into uniform and individual warm-ups so that you can meet the schedule for official warm-up and performance. The awards ceremony will be split into two with an afternoon and evening awards. **Leadership is asked to be on the south end of the stadium 15 minutes before the start of the awards ceremony.**

All student performers will be provided a wristband when your group arrives. This band is for entrance to the stadium after your performance. Any student without the wristband will not be admitted into the stadium. Directors and all staff members (according to your application) will have name badges. The badges and wristbands will be given to you at check-in when you arrive on campus. Be advised that chaperone wristbands are issued based on the number of performers in your group. One wristband allotted for every 15 band members. All seating is on the home side of the field or in the end zone areas (there are no visitors' bleachers). Please do not pressure the gate personnel for additional chaperone wristbands.

It is important that you strictly follow all directions given to you by our parking personnel. We have a lot of groups to accommodate, so your cooperation is critical.

We provide a hospitality room for the convenience of the **band director and immediate staff only**. It is located in the northeast corner adjacent to the stadium. ONLY those named on the initial application will be admitted.

Finally, please help us to have a green tournament by encouraging your students and volunteers to utilize our recycling bins.

We take pride in putting on a tournament that focuses as much on the educational aspect of the day as on the competitive aspect. If you have any questions, ask any student or parent volunteer, if they can't give you a satisfactory answer they will quickly refer you to someone who can help you work out any problems you might encounter.

If you have any questions, please let me know.

Russell Shedd
