March 23, 2022

Dear Directors,

Welcome to Bryan/College Station, home of Texas A&M University's Reed Arena and the 2022 Texas Color Guard Circuit Championships. I hope you feel the same that it's so great to be back here and doing this again! You are our guest and we want you to have a great experience both at our event and in the community.

The location for the championships is:

Texas A&M University
Reed Arena
730 Olsen Blvd
College Station, Texas 77843

We are excited to host you and hope that you will take some time to review this packet of information so that you will be prepared for your experience in this large facility. We are doing our best to be as informative as possible, but as you probably already know, flexibility is needed as some issues come up at the last minute. We will do our best to troubleshoot in a swift and efficient manner. We hope that the info in this packet will help make your Championship experience the best it can be!

Attached are flow maps, and information about the facility. As always, our intent is for everything to run on-time and smoothly. Please remain flexible as we work through any issue that arise on the day of the contest.

****Reed Arena has a clear bag policy in effect for all spectators. Please inform your parents traveling to the contest.****

****IMPORTANT NOTE FOR PARKING AT OUR EVENT****

Texas A&M will be charging a \$5 fee for parking. You can pay in advance [HERE](#) (select the Olsen Field option vs Auburn parking option,) or pay with CASH ONLY on the day of the event. Fees will apply if purchasing in advance online. We want you to know that there are MANY other LARGE events going on, on campus in that same area. Buses and Trucks will park in **Lot 100 C**. Spectators will want to park in 100 A or B but these may fill up. Please look at the maps provided in this packet.

Directors, please share all information about parking with your parents who will come as spectators on this day! THEY WILL NEED TO KNOW TO PLAN EXTRA TIME!

UNIT CHECK-IN- There will be ONE registration location for all units at the **tunnel/loading dock area** of the arena (this is a change from previous years.) If you have props to unload, ***you can do so at your check- in time.*** Color guard units will go into the staging area after check- in (back side of the concourse.)

All units will get enough white wristbands for their performers, and up to eight extra for floor crew. **ALL UNITS WILL ONLY BE ALLOWED TO PURCHASE UP TO EIGHT ADDITIONAL BACKSIDE SEATING PASSES for \$5.** Any additional after this eight will be full price. Full priced wristbands will need to be purchased at the Spectator entrance. We will not have these at unit check-in. Receipts will be available.

All Color Guards attending Area Championships can get in for \$5 performer seating, with a reservation. There will be a google form sent out to reserve these tickets for your unit. This list will be given to the spectator ticket attendants, and those bands will need to be paid for by that time- cash, credit or school district check.

This year we will not have unit guides for the entire flow of the contest. Instead we will have “check-point” guides to help you navigate around the arena for your contest flow.

Bus Drivers will be able to enter the event free of charge when they show their Bus Driver ID. Maps are included in this packet. Buses may be asked to park in the overflow lot which is further from the arena. Please get your bus drivers phone number in case we have to ask them to move to accommodate units who perform later.

FEES- All units who advance to Reed Arena must pay the \$100 championships fee before they will be allowed to perform that day. You can pay it on paypal prior to the event, or turn it in at check-in on the day of. Please remember that you also must pay any area fees, senior medal fees, pull out or no show fees owed to TCGC. Please plan to take care of this at check-in. Your attention to this matter is greatly appreciated. If you have questions regarding fees, please email Diane at bookkeeper@texascolorguardcircuit.org.

PARKING- Parking is \$5 cash only per vehicle for spectators and all personal vehicles. See parking maps attached for more detail. TCGC is providing five (one-time access) parking passes for each independent unit.

****Please do not leave the bus/truck parking lots messy. Please make sure that the area surrounding your trucks/buses are free of trash and other items. Do not leave trash or trash bags in the parking lot. We have to pay extra for clean up services, if this happens. ****

PROP UNLOAD/STORAGE- In order to pull your prop truck into the loading zone- you will need to have a pass to drive into that area. To receive this pass, you will email office@texascolorguardcircuit.org by Wednesday, March 23rd at 5 pm requesting this pass. I will send all of these passes out by email on Thursday for you to print off to display in your prop vehicle(s.) Each unit may only have one vehicle in the prop loading zone at a time. You will unload your props/floors at the loading dock going into the tunnel ***AT YOUR CHECK IN TIME***. You will not be allowed to pull your prop vehicles into the loading dock area until this time. You will be limited to a 5 minute unloading/loading time, and will have to move the vehicles once loading/unloading is complete. Please do not pull into that area until your crew is ready to unload/load. As soon as you are loaded, you will return to Lot 100 C, or the overflow lot (Fan Field.)

Prop storage space is limited. Props must be loaded immediately after your performance is over.

CONTEST FLOW- This is changing from prior years so please take extra effort to review all flow maps included. Again, please make sure that you are at the warm-up and/or ready lines as the schedule outlines. Check-in is now at the tunnel/loading dock area, and units will head upstairs to concourse level from there. Body warm-up and equipment warm-up are in the same locations, The arena is now turned “sideways” so the flow in getting onto and off the floor will be a bit different. We will offer indoor floor folding behind the performance curtain (think Nutter Center in Dayton set-up.)

We appreciate you and your students using caution when moving large equipment and props throughout the facility, as to not damage the walls, or floors. Thank you for your advanced cooperation and preparation.

STAGING AREA- After your check-in time, your unit will be able to use the concourse to store their personal bags/belongings in order to change for retreat. This is ***NOT*** an equipment storage area. Following your performance, you must load all equipment on your bus/truck. This space will ***ONLY*** be for uniform/changing needs. There will also be no gathering in this area. Students will be directed to go to the stands if they are found “hanging out” in the concourse. **Please be mindful of the shared space. Once your performance is over, plan to condense your space and/or load as much of your belongings to allow space for the units that perform later in the day.** There will be no stretching, dancing or spinning in this area (and no playing of music.) Please do not use public restrooms (spectator side of concourse) for changing. **THERE IS NO OUTSIDE FOOD OR DRINKS (INCLUDING COOLERS) ALLOWED IN THE ARENA. PLEASE COMMUNICATE THIS TO YOUR BOOSTER CLUB, AND DO NOT PLAN TO EAT MEALS BOUGHT FROM OUTSIDE SOURCES IN THE ARENA.**

CONCESSIONS- Concessions will be open 8 am- 8 pm. ***The Reed Arena Concessions ARE CASHLESS. They will only accept Credit card or ApplePay.*** They will offer your typical concession stand food- hotdogs, hamburgers, nachos, pretzels, candy, and drinks. Concessions are run by an outside contracted company and TCGC has nothing to do with the menu, prices, and/or hours of operation. Being a college town, there are ample restaurants and a mall, at which you may feed your students.

TICKETS- PLEASE SHARE THIS INFORMATION WITH YOUR PARENTS- Ticket prices for all ages are \$18.00. Free admission is offered for kids younger than 2 years old. We will be selling tickets online two weeks prior to the event, and will accept cash & credit card payments on site. It is in your best interest to buy them online to avoid waiting in line at the arena. Doors open at 8:15 am for March 26 and 9:15 am for April 2 to spectators. **PLEASE REMIND YOUR FAMILIES TO PLAN EXTRA TIME FOR TRAVEL AND PARKING, AS THERE ARE MULTIPLE LARGE EVENTS GOING ON NEAR THE ARENA!**

Reminder: Any unit that competed in TCGC this season can attend championships by reserving tickets at a discounted rate of \$5 each. There will be a google form sent out for you to order your wristbands. Please do so by Wednesday, March 23rd to reserve tickets at this rate. If reservations are not made, please plan on paying full price. These wristbands can be picked up at the Spectator entrance of the arena at the ticket booth. Reserve your tickets [HERE](#).

FLOOR RE-FOLD- The floor refold area will be inside the area, behind the curtain. Please use consideration with noise level, as performances will be going on, on the other side of the curtain, and move swiftly to avoid back-up/traffic jams in this area. You have ONE interval worth of time to get your floor folded, onto a cart and out of the space.

HOTELS- Hotel availability is limited, at this point, because of many events going on in the area that weekend. If you have any questions you can contact Beth Young, our partners coordinator at partners@texascolorguardcircuit.org.

FIRST AID- There will be a medic on-site in the tunnel area at all times. Please find the nearest event staff person to help direct you to the correct place. They will be happy to assist. ***REGARDING ICE PACKS-** The medics are there for serious medical emergencies, and do not have access to be able to provide ice packs on a regular basis. You might consider packing some in your first aid kit that travels with you.

SECURITY- For the safety of your students, we will have uniformed security on site the entire weekend. If an emergency arises, please let one of the officers handle the situation. Safety First!

DIRECTOR HOSPITALITY- There will be a director hospitality room on the 2nd floor across from the body warm-up room. There will be some pre-packaged snacks type items, and bottled water available.

VIDEOS- No video cameras allowed and no authorized video space will be provided. TCGC does not condone nor accept liability for any unauthorized recording during our events. We will do our best to record each performance and provide this on competition suite to our directors.

PHOTOGRAPHY- Action photos will be taken by our media team and posted at no cost following our events. Group photos will not formally be taken, however there will be a backdrop set-up at the photo area (see maps provided) if your group would like to use this space to take a formal photo with parents/directors own cameras. We have scheduled a photo time on the schedule and will have to limit traffic in these areas. If you would like to take these photos with our backdrop, you will have to do so during your designated time.

TCGC MERCHANDISE- Pepwear will be selling branded championships merchandise and more. Credit cards will be accepted.

MAPS/FLOW- Please note that we have attached some maps for you to get acquainted with. ***The flow is different than years past, please familiarize yourself with this new set up!***

WARM-UP AREA- In accordance with TCGC policy, both body warm-up and equipment warm-up areas will be offered for guards. Each is timed and will run according to the schedule posted by TCGC. On a positive note, due to the renovations in the arena, the body warm-up space is MUCH larger than the past! Please note that there will be no general warm-up areas inside, but many open areas outside may be used. All that we ask is that you do not rehearse in the parking lots for the safety of students (because of traffic from other events, etc.) For color guard units- sound equipment will **NOT** be available in the warm-up rooms for you to use! For Percussion units- please be prepared to let the check-in table know if you will be utilizing your indoor warm-up time. The flow will be different for those that will not use indoor warm-up vs units that do. To prevent traffic jams, we will need to know to plan ahead for your pathway through the arena.

RETREAT- We are working to make our retreat ceremonies a special, memorable experience. Lights down, music on, and a celebration will commence. We will recognize each participating unit and will allow them their “moment in the spotlight”, as they make their walk onto the floor. The area high schools will be selling flowers for our Dayton-like retreat ceremonies. There will be a full unit retreat, and units will be lined up in the warm-up gym and tunnel, following the final performance of the day. More instructions on where to report for retreat will be given to you at unit check-in! Unit Directors: Please send one staff member with your

unit to these areas to help us expedite the line-up process for retreat.

Retreat will begin as SOON AS POSSIBLE after the last performance- please be flexible as we set up the arena for the ceremony and tabulate the last bit of scores before it can begin! Please note that the facility does not allow bubbles, balloons, confetti, glitter or similar items. Please also tell your students not to throw any items during the retreat ceremony.

PLEASE SHARE THIS INFORMATION WITH YOUR PARENTS WHO ARE TRAVELING TO THE COMPETITION. Our biggest cause of concern in past years is from the spectators that were unsure of ticket prices, where to go, scheduling, etc.

I hope that I have covered all of the areas where you may have questions. If you need any other information, please do not hesitate to shoot me an email:

office@texascolorguardcircuit.org. I will do my best to get back to you quickly.

See you all very soon! Good luck in preparation!

Sincerely,
Marie DeBellis
Texas Color Guard Circuit Circuit Administrator
