GE Mike Pavlock

TO LISTEN TO JUDGES COMMENTARY:
Each director should be set up with an account through CompetitionSuite. This is the ONLY WAY to receive judge commentary for any TCGC event.

FEES: All outstanding fees for area/championships, pull outs/no-shows, and senior medals must be paid before your unit will be able to perform at this event.

SOUND TESTING: One hour prior to the start of the contest and during breaks at the discretion of the contest director.

Unit Storage: The host will be providing an area to store garment bags to allow units to change for retreat quickly. This area is ONLY for costumes/clothing, and not an equipment/prop storage. This area will only be allowed for changing purposes, and not a hang out area.

WARM-UP AREA: All maps are in this packet. Units should arrive/check-in at the time on the schedule. Please be prepared to provide your own sound equipment in the warm-up facilities.

RECAPS: Recaps will be available online within 24 hours of the end event.

RETREAT: For SO there will be captains only during the same full guard retreat for SAA, SA & SNA (SO will be announced first.) The SRA retreat will also be full guard. Both retreats will be lights out!

VIDEO TAPING: TCGC will do everything possible to provide a video of each performance.

We appreciate your flexibility with the ever-changing world we live in today. We will be in close communication with the show host, and all necessary parties prior to our events, and will do our best to communicate in a timely manner any changes in circumstances surrounding our events.

All TCGC contest sites must have a minimum of seventy by one hundred feet (70' x 100') to accommodate a "safety zone" of five (5) feet from any spectator seating. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and can extend to a maximum of 106' x 78'.

The "competition area" at this event measures 108' X 70'. All performing groups must be prepared to perform within that area. Floors (tarps) may not extend into safety zones per rules found in the WGI Adjudication Manual and Rulebook.
