**TO LISTEN TO JUDGES COMMENTARY:**

Each director should be set up with an account through CompetitionSuite. This is the **ONLY WAY** to receive judge commentary for any TCGC event.

**SOUND TESTING:** One hour prior to the start of the contest and during breaks at the discretion of the contest director.

**WARM-UP AREA:** All maps are in this packet. Units should arrive/check-in at the time on the schedule. Please be prepared to provide your own sound equipment in the warm-up facilities.

**RECAPS:** Recaps will be available online within 24 hours of the end event.

**RETREAT:** There will be captain's only retreat(s) throughout the day as notated on the schedule.

**CRITIQUE:** This is an EDU Event. You will be able to sign up to have a clinician accompany you through the rotation and give you real time feedback.

**VIDEO TAPING:**

TCGC will do everything possible to provide a video of each performance.

*We appreciate your flexibility with the ever-changing world we live in today. We will be in close communication with the show host, and all necessary parties prior to our events, and will do our best to communicate in a timely manner any changes in circumstances surrounding our events.*

January 1<sup>st</sup>, 2022

Dear Directors,

Welcome to the 15<sup>th</sup> Annual Dawson Catalyst Take Flight Competition at Robert Turner HS in Pearland TX! We welcome you and hope you have a great contest day!!

Thank you for continuing to support our show and we are happy to be able to facilitate this event in a way that feels more normal to us all. While still providing a safe, covid conscious, environment for those who will attend. We will still have safety in mind while still allowing for the excitement for what will be the first show for many.

As a reminder, in accordance with TCGC, will not be offering a general warm-up space or a floor refolding space on site for the contest day. We will however have a hallway space dedicated to folding your floormat onto the cart and getting resituated post performance. The dance warm up space is an open three classroom space, a longer rectangle space and is located right upon entry into the school. Equipment warm-up and the performance spaces are the same with slight variations to the normal contest flow.

Gym space will be able to offer up a much larger capacity this year with a total number of 818 tickets for the entirety of the day. These tickets will go on sale at 9am Monday January 17<sup>th</sup>. A direct link will be provided on the circuit website the day that the tickets will become available. All tickets will be done electronically, including tickets that may still be available the day of the event, there will be no cash sales for tickets on the show day.

Our host site will be providing concessions for purchase and will have open vendors as well back this year. These will have a mix of either cash or electronic sales so I would be prepared for either if interested to utilize these show day amenities. You can find these areas located in the Cafeteria space down the hallway from the contest gym. We highly encourage that you utilize these the day of the contest for your parents or for your students/staff.

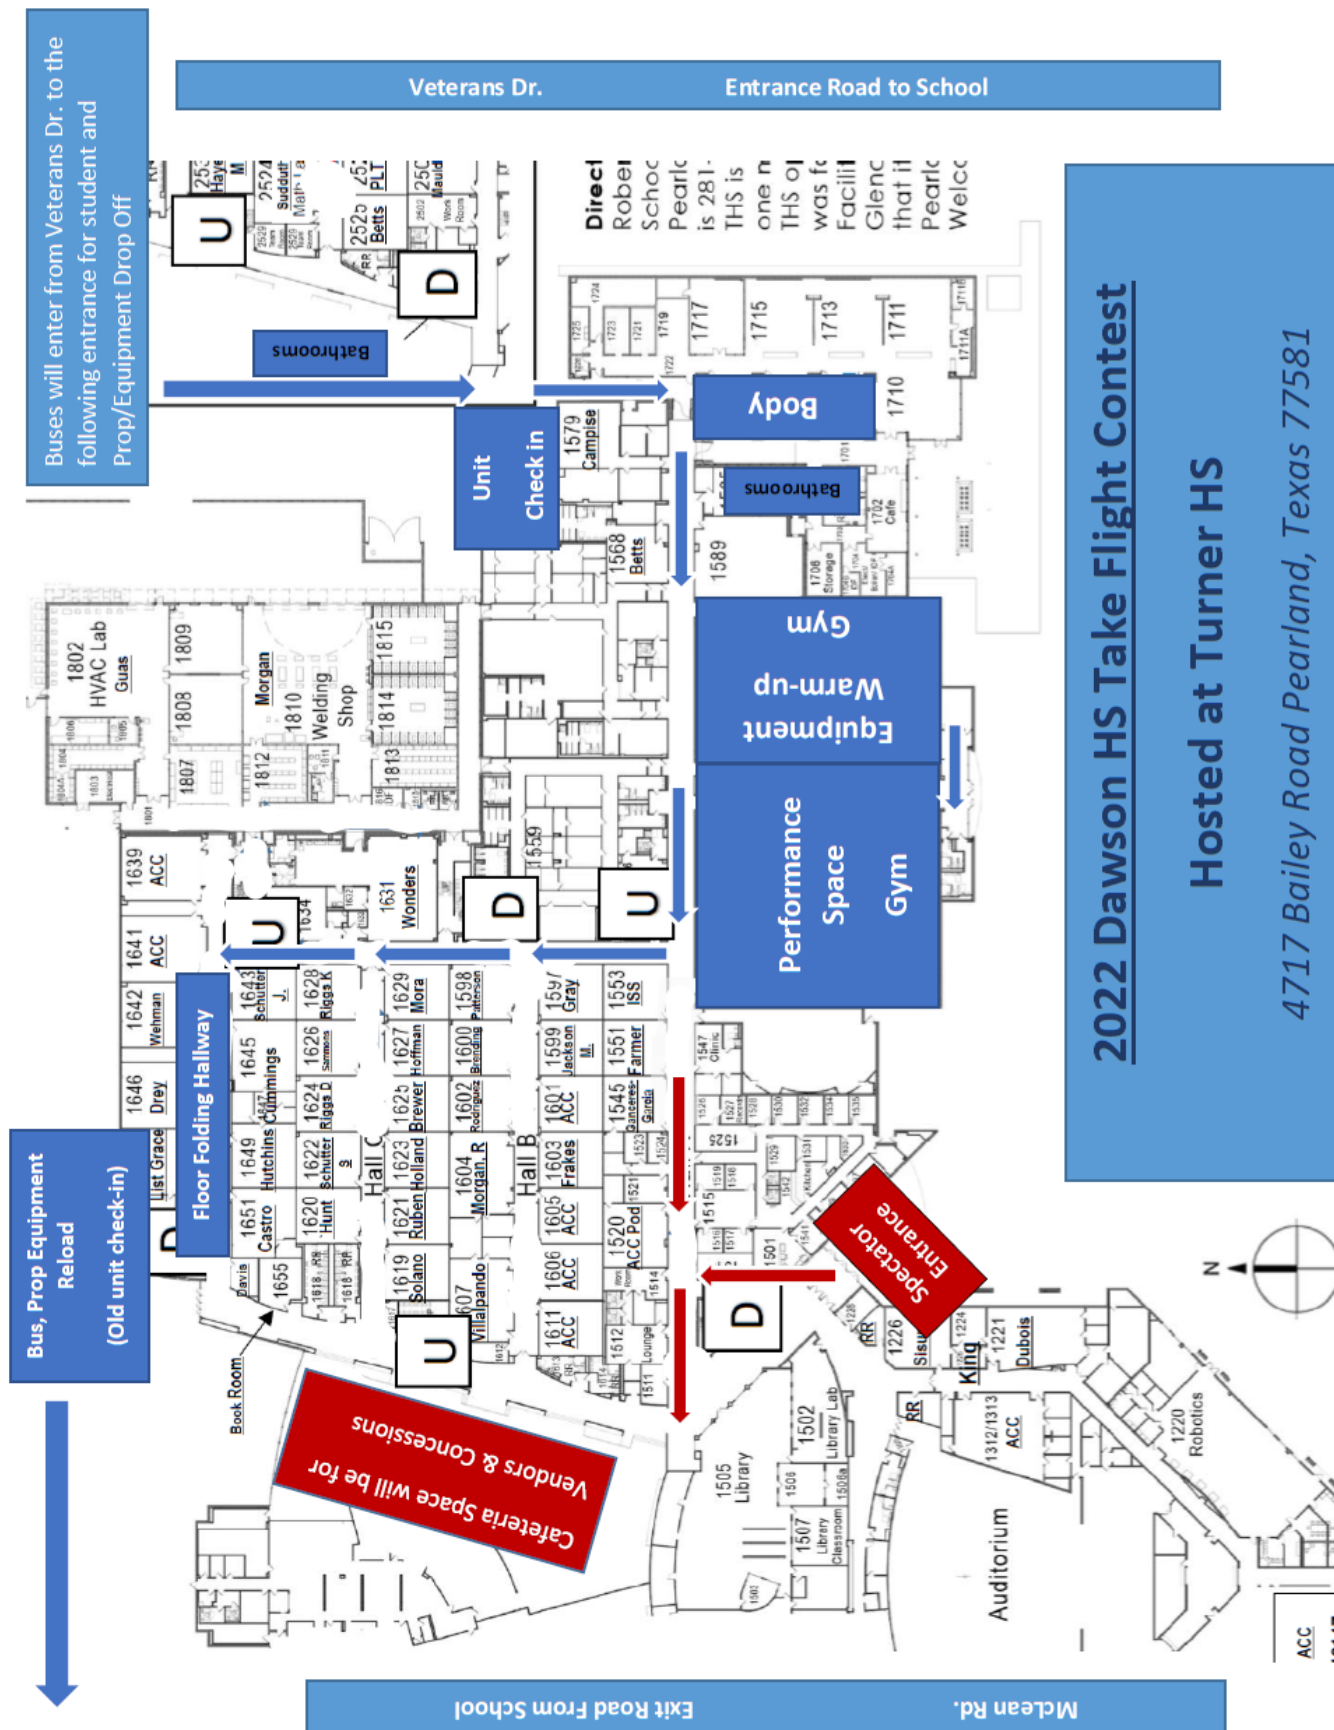

On behalf of all of us here at the Dawson Eagle Band and Catalyst Colorguard, we wish you a great first contest and a wonderful debut performance. Looking forward to seeing many of the performances and all the smiling faces. Stay safe, stay healthy and we will see you all soon.

Sincerely,

**Nicholas Gerling**

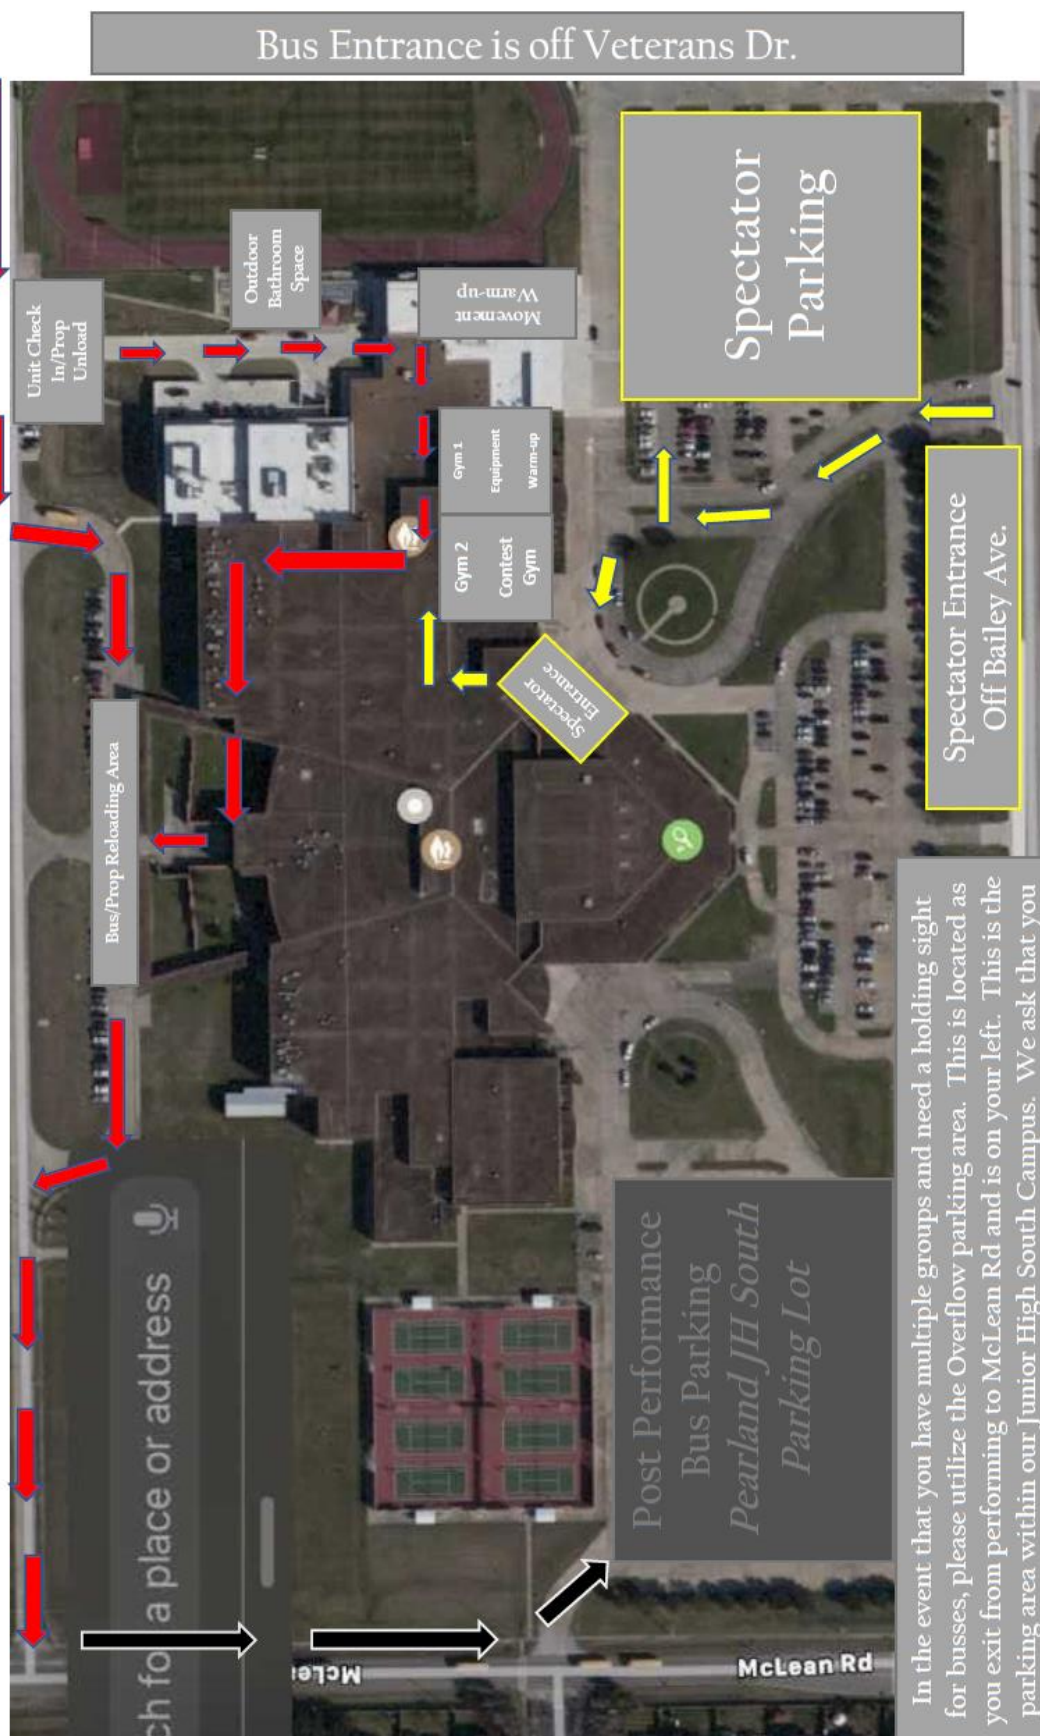

Dawson HS

Director of Catalyst Colorguards

## 2022 Turner HS Take-Flight General Map/Spectator Map

*Red Arrows After Unit Check in signify the MANDATORY Bus/Truck Flow for pick-up of students and equipment/props*

In the event that you have multiple groups and need a holding sight for busses, please utilize the Overflow parking area. This is located as you exit from performing to McLean Rd and is on your left. This is the parking area within our Junior High South Campus. We ask that you social distance yourselves and make sure to not leave a mess.

All TCGC contest sites must have a minimum of seventy by one hundred feet (70' x 100') to accommodate a "safety zone" of five (5) feet from any spectator seating. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and can extend to a maximum of 106' x 78'.

The "competition area" at this event measures 110 X 80'. All performing groups must be prepared to perform within that area. Floors (tarps) may not extend into safety zones per rules found in the WGI Adjudication Manual and Rulebook.
