SOUND TESTING: One hour prior to the start of the contest and during breaks at the discretion of the contest director.

TO LISTEN TO JUDGES COMMENTARY:

Each director should be set up with an account through CompetitionSuite. This is the ONLY WAY to receive judge commentary for any TCGC event.

WARM-UP AREA: All maps are in this packet. Units should arrive/check-in at the time on the schedule. Please be prepared to provide your own sound equipment in the warm-up facilities.

RETREAT: There will be captains only retreat as notated on the schedules.

CRITIQUE:

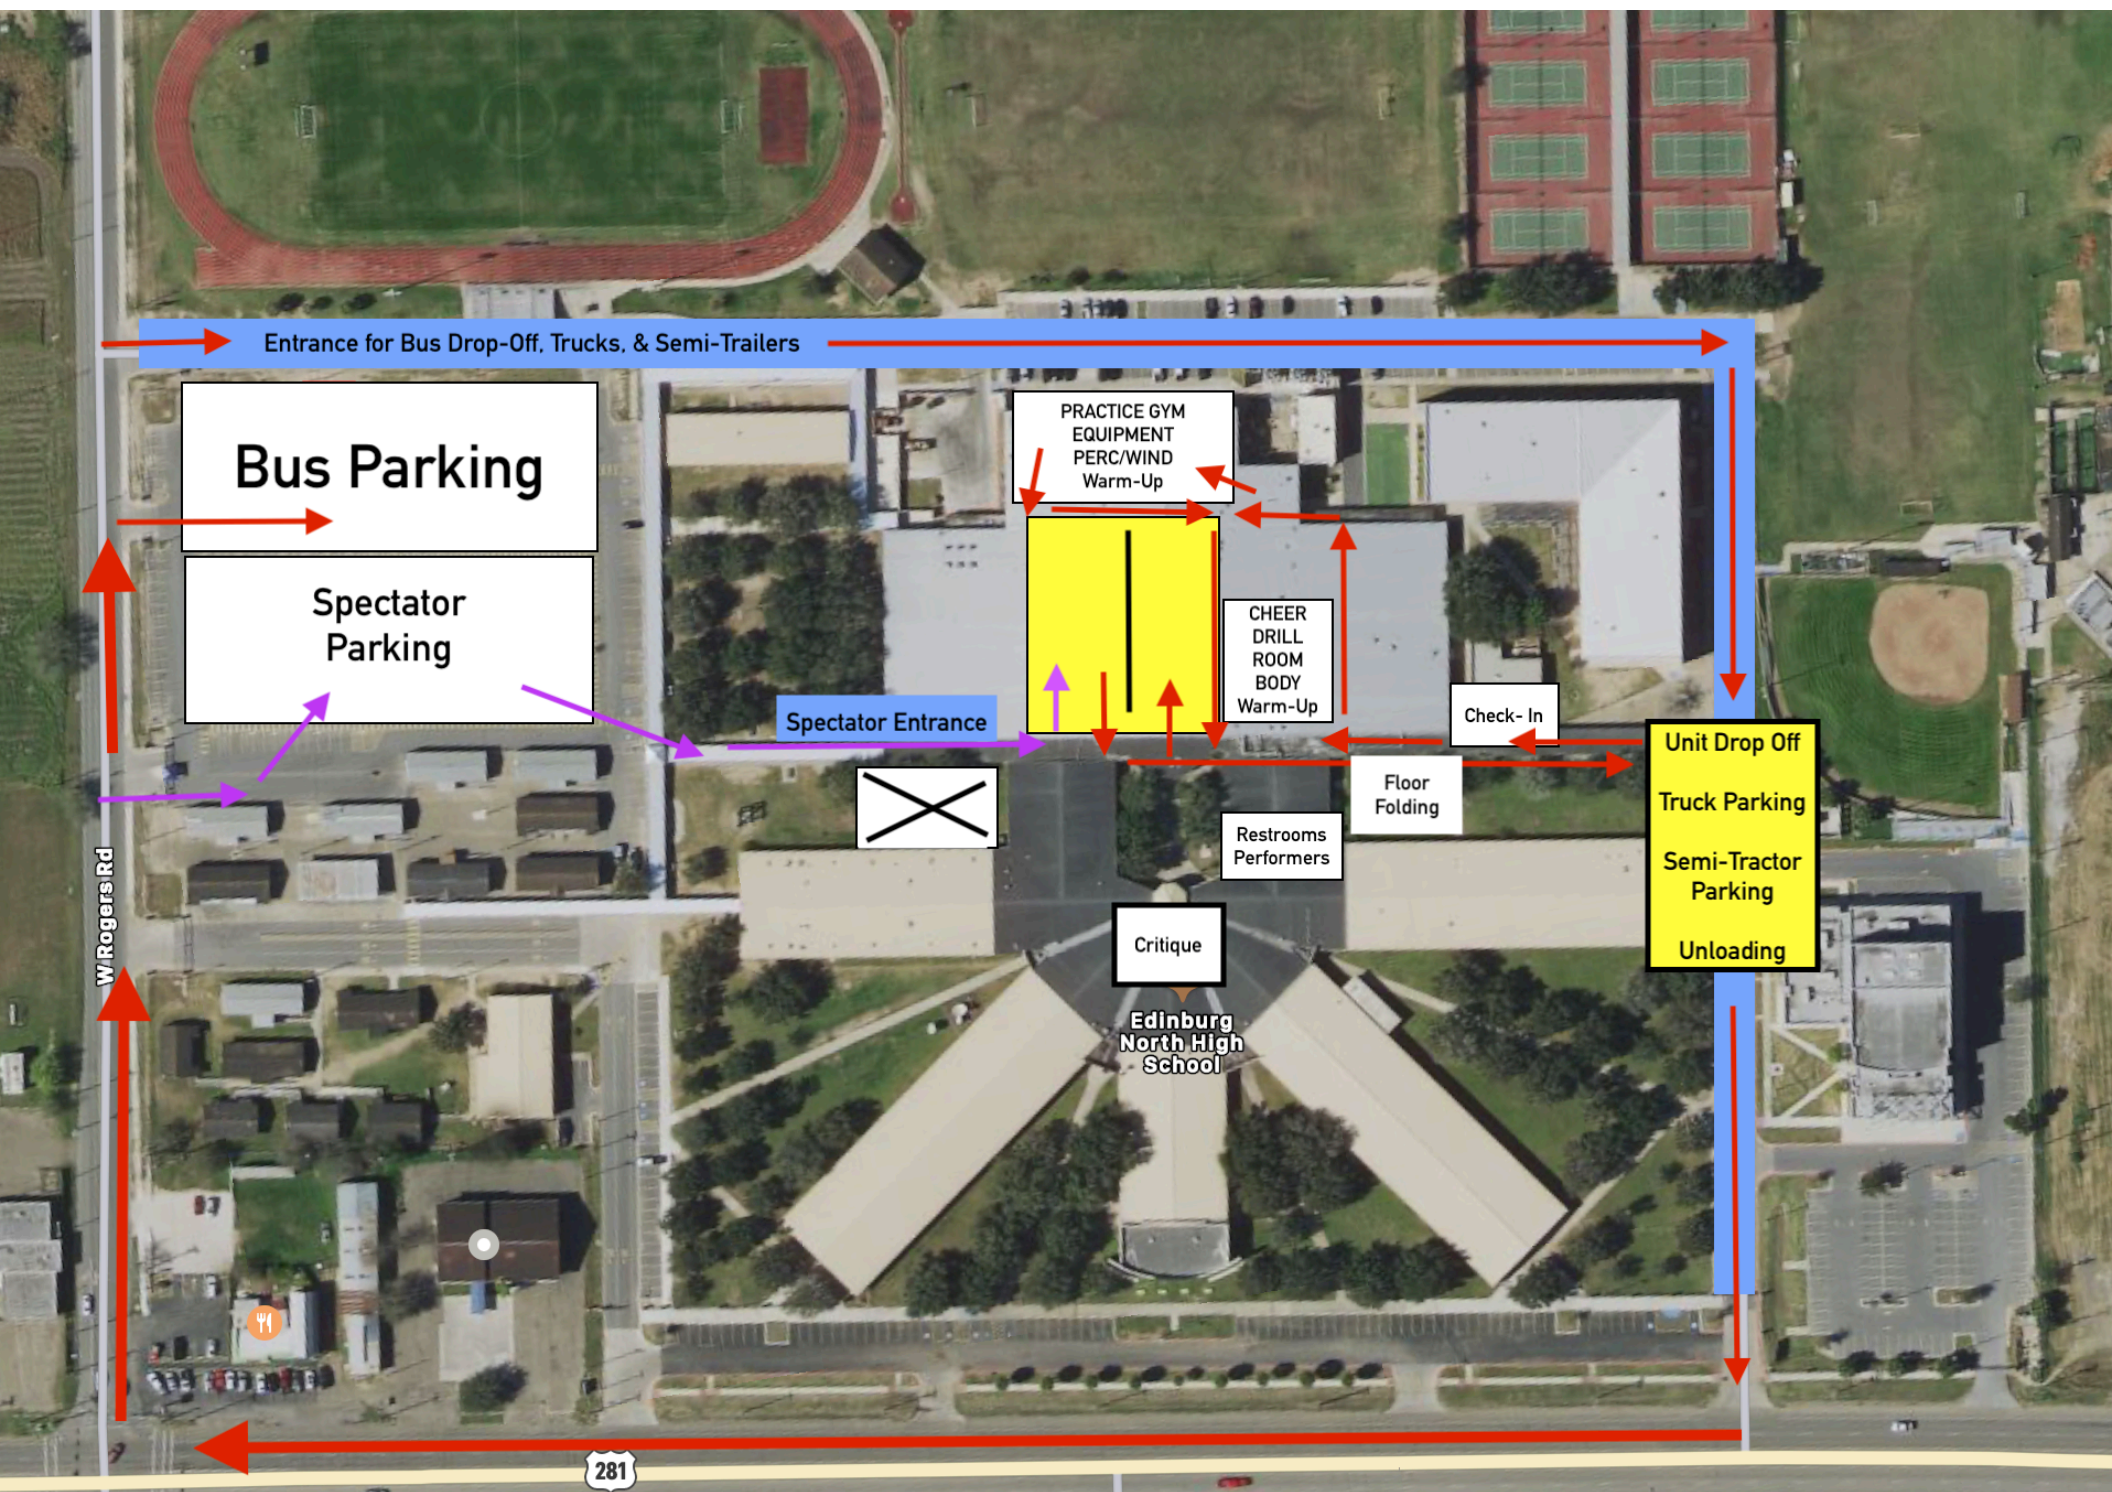

There will be a percussion/winds critique following the last unit's performance. Sign up for critique will happen on the week of the show and close at 12 AM on the day of the show.

Color Guard critique will take place following the last performance. Sign up for critique will happen on the week of the show and close at 12 AM on the day of the show.

VIDEO TAPING: TCGC will do everything possible to provide a video of each performance.

We appreciate your flexibility with the ever-changing world we live in today. We will be in close communication with the show host, and all necessary parties prior to our events, and will do our best to communicate in a timely manner and changes in circumstances surrounding our events.

If inclement weather, there is a covered drop off area on the West side of campus. Performers can move to covered, open-air, covered space prior to entering the official flow. Trucks will still park on north bus lane.

If raining, there will be a covered walkway for all groups to move their equipment to once unloaded. Covering is available for entire flow.

At TCGC events, we strive to provide a minimum of seventy by one hundred feet (70' X 100') to accommodate a "safety zone" of five (5) feet from any spectator seating. If no spectators are seated on the left and right sides, then the safety zone will be eliminated on the left and right sides of the competition area and can extend to a maximum of 106' X 78'.

The "competition area" at this event measures 106' X 60'. All performing groups must be prepared to perform within that area. Floors (tarps) may not extend into the safety zones per rules found in the WGI Adjudication Manual and Rulebook.
