

The map shows a school campus with several streets: Harrison St at the top, Galveston St running horizontally across the middle, and Higley Rd running vertically on the right. To the left of the school is a large green field labeled 'Williams Field'. Various parking lots and loading zones are marked with colored lines and arrows. A blue line indicates the route for buses exiting at the end of the day. A red line shows the path for buses and equipment vehicles. A green line marks the check-in and unloading area. Labels include 'Loading zones', 'Check in and unloading', 'Enter at Galveston St.', 'Bus and Equipment parking', and '3. End of day: Buses will exit in order parked and enter school at left turn north of school by pool (across from Harrison St). They will continue to loop around outside of spectator parking lot and exit at Galveston.'.

**1. Enter Williams Field east of Galveston St. Continue south across front of school and turn right to check in on south side on school. Unload buses and equipment trucks will continue on and park in designated loading zones on north side of school. All buses and equipment vehicles must be gone by end of loading time.**

**Loading zones**

**Check in and unloading**

**Enter at Galveston St.**

**3. End of day: Buses will exit in order parked and enter school at left turn north of school by pool (across from Harrison St). They will continue to loop around outside of spectator parking lot and exit at Galveston.**

**2. Buses and equipment vehicles will line up in designated loading zone (A,B,C or D) until loaded then continue south on Higley Rd. Turn left at Vest Ave and continue to past elementary school. Turn right into lot as directed and follow around back till directed where to park.**
