

Directors,

On behalf of faculty and students of Sabino High School, we are excited to welcome you to our campus for the fourth annual Mountain March at Sabino High School! I am excited to see as many of your shows as possible, and hope that the next couple weeks of preparation go well for you and your students! In this letter, you will find useful information to help make your day go as smoothly as possible. If you have any questions, please don't hesitate to contact me at the following contact information:

Sara Ortega

BUS DROP OFF AND PARKING

Sabino High School is located at 5000 N. Bowes Rd in Tucson, AZ 85749. After reaching the Sabino campus, there are two bus lanes on the east side of Bowes Rd. The innermost bus lane will be for drop off only. Please pull forward in the bus lane until you reach the registration tent where a volunteer will meet you. After unloading, busses will be directed to turn around at the church on the northeast corner of Bowes and Snyder, and park in the outermost bus lane. The church parking lot may be used as overflow bus parking if needed.

EQUIPMENT TRUCK LOADING AND PARKING

Equipment trucks should proceed north of campus to the equipment truck lot entrance. Volunteers will be stationed in the equipment lot at all times to ensure safety and to guide with parking, backing up, etc. Overflow parking will be at the church on the northwest corner of Bowes and Snyder.

SPECTATOR PARKING AND FIRST AID

Spectator parking is through the main gate of campus. Volunteers will be available to answer any questions you may have about parking. Handicapped parking is north of the tennis court, where you will also find our first aid station, concessions, restrooms, and the ticket booth.

ADMISSIONS

Tickets are \$5 and children 5 and under receive free admission. We accept cash and / or credit or debit cards. Programs are also available for purchase for \$1.

DIRECTOR HOSPITALITY

The hospitality tent will be located by the east end zone of the football field for directors and staff. We will have refreshments and snacks provided throughout the day. Critique will be held in this area following the show.

WARM UP AREAS

Bands will be assigned to one of three warm up areas: the main gym, auxiliary gym, and courtyard. Groups who are assigned to the courtyard may use the cafeteria as an alternative location if desired. Groups in the courtyard must face west for warm ups.

A visual warm up area is available on the practice fields northeast of campus. This area is lined with hashes. Please be advised there may be NO SOUND in the visual warm up area.

There are also several grassy areas on the far west of campus. If you would prefer your battery to warm up separately from your winds, these areas are ideal. Battery will not be allowed to warm up on the sidewalks around the gym to prevent sound bleeding to the performance field.

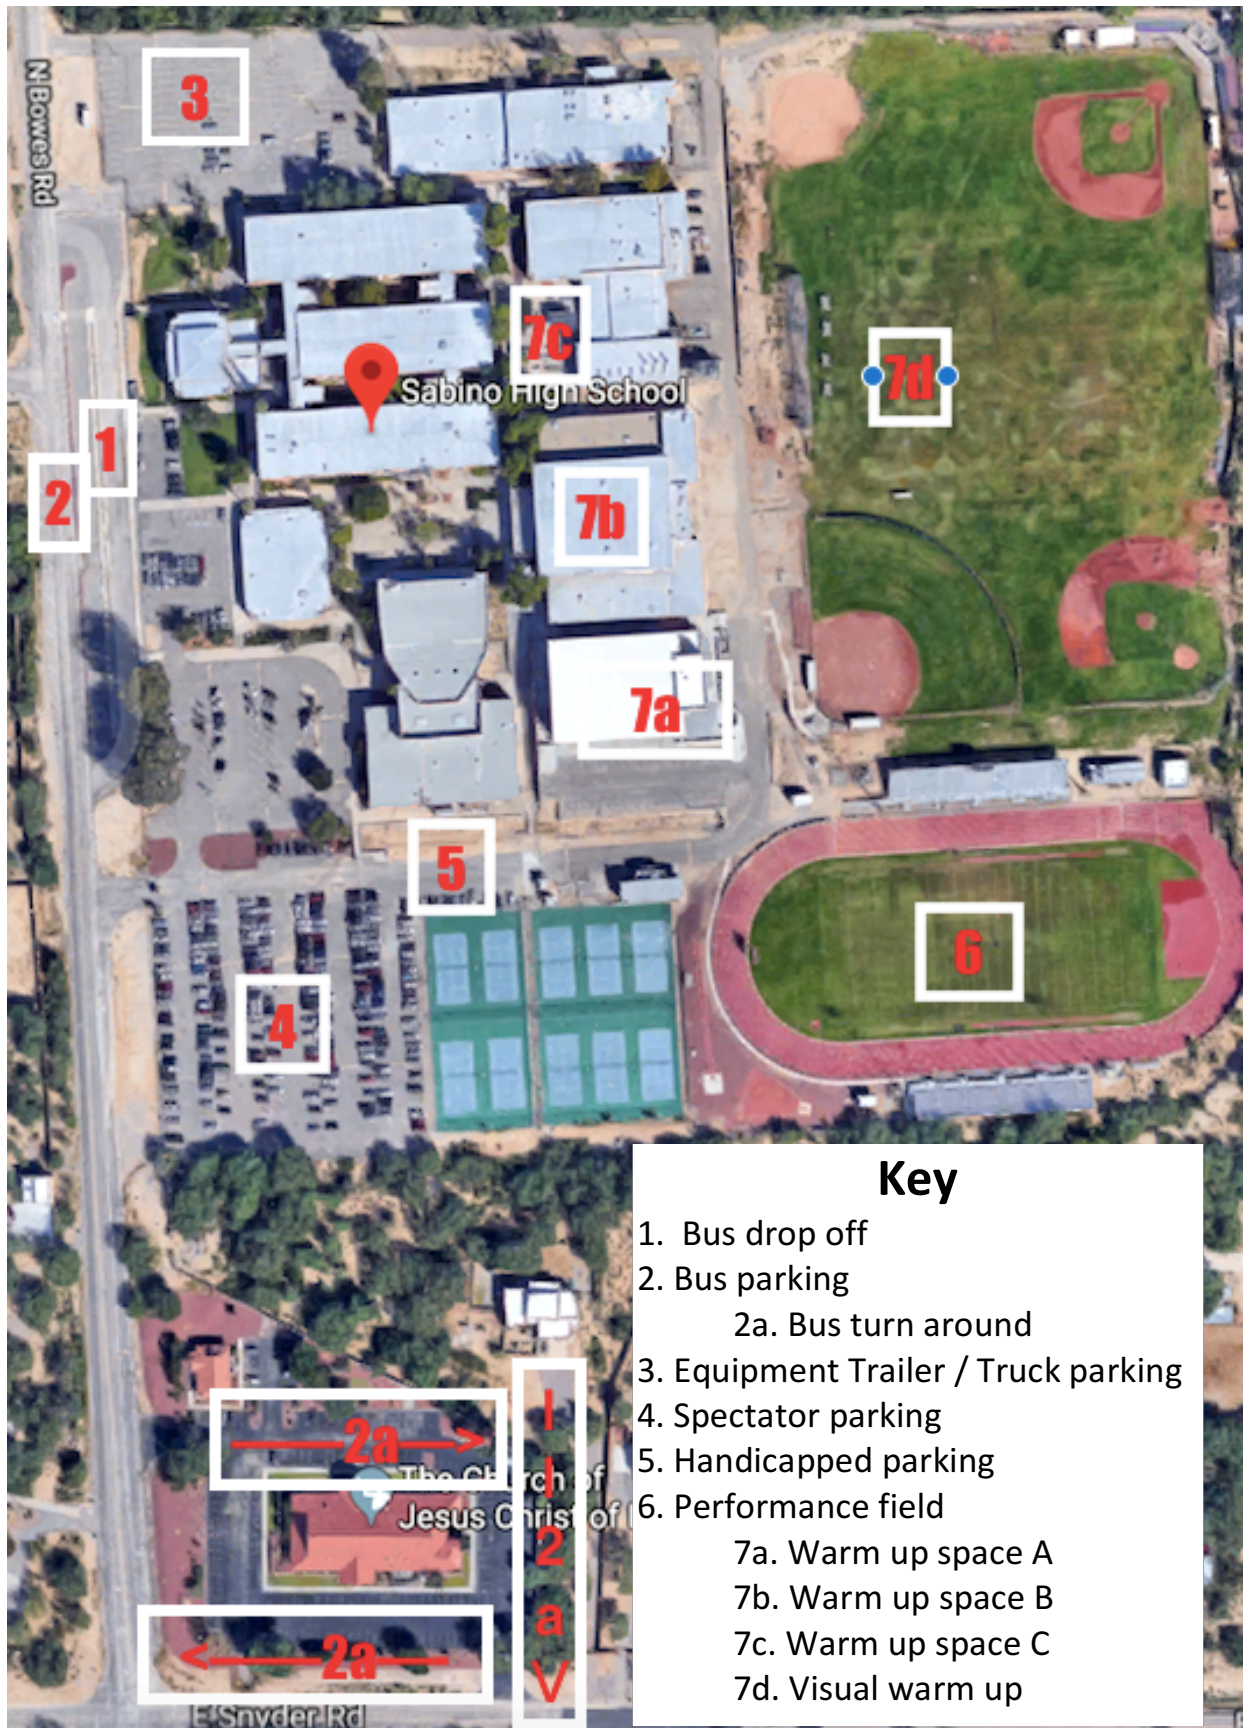

BAND SEATING

Following your performance, bands will be asked to sit in the visitor side of the stands located south of the football field.

AWARDS

Students who are designated to receive awards on behalf of your group should gather at the performer entrance on the southwest side of the field prior to the final performance of the evening.

Thank you again for choosing to attend our fourth annual Mountain March at Sabino High School! We look forward to having you!
