Unit Check-In Location/Description

- Check-in is located on the east side of the school as buses and trucks enter from E. Mayo Blvd.
- Upon arrival a host student will greet you at the check-in tent.
- You will receive an information packet that includes maps, performance times, and wristbands.
- Your Pit Parent/Bus Chaperones will receive wristbands for stadium entry (up to 12 wristbands per band).
- Wristbands for additional volunteers may be purchased at GoFan or by scanning a QR code by the spectator entrance.

Warm Up Areas A, B, and C Location/Description (indicate what direction units should face when playing, nearest shade/shelter from sun; one of your water stations should be located near the three warmup areas)

- There are three assigned warm-up areas located in the quad.
- Signs will indicate warm-up areas A, B, and C. Refer to the maps for specific warm-up locations.
- Please face west when warming up.
- There are also four assigned visual warm-up areas located on the practice field south of the school service road.
- Playing or the use of any sound equipment is not permitted in the visual warm-up areas. Refer to the maps for specific warm-up locations.
- Please know your assigned times for warm-up staging and performance.

Stadium Spectator Entrance/Exit Location/Description

- Spectators will enter the stadium through the main gate on the north side of the stadium, which is just south of the spectator parking area.

Stadium Spectator Restrooms Location/Description

- Spectator restrooms are located at the north end of the stadium near the concessions area.

Stadium Performer Entrance Location/Description

- All performers must sit on the visitors side of the stadium.
- Entrance is on the east side of the stadium, past the food trucks and prop staging area.
- If visitor seating is full, your school will be directed to a selected seating area in the home bleachers.
- Please remind your student of proper audience etiquette during performances.

Stadium/Field Unit Entrance Location/Description

- - Refer to the included map for performance flow.
- - All performers will enter on the north side of the stadium between the spectator entrance and food trucks.
- - The prop staging area is located east of the food trucks on the north side of the stadium.
- - Performers will wait at the Ready Line to avoid distracting other performers.

Stadium/Field Unit Exit Location/Description

- Refer to the included map for the performance flow.
- Upon completion of the performance, performers will exit the south side of the stadium near the end of the home team bleachers.
- After passing the bleachers, performers will then head north toward the service road.
- The service road will lead back to the equipment truck areas.

Stadium Unit Videographer Location/Description (All shows will provide a location near the top of the stands from which units may video their show.) Note: a videographer location is not needed at Sunrise Mountain, MCC, UofA Band Day or any of the championship sites.

- N/A for Championship Sites

First Aid Location/Description (please consider access for emergency vehicles)

- The first aid station is located on the west side of the stadium near the concessions area.
- First Aid will be under a tent and marked with signs.
- In case of an emergency, contact any staff member with a neon shirt for assistance.

Water Station Locations/Description

- Water stations are located throughout the campus near the warm-up areas and the equipment truck unloading areas.
- A water station is also available behind the home bleachers after the bands exit the stadium.
- Water stations are designated with signs and will contain coolers and paper cups.

Director Hospitality Location/Description

- We have a wonderful hospitality area for directors, staff, and bus drivers to eat and relax.
- The hospitality area is located in Building D in the lobby of the auditorium, near warm-up area C.
- Admission to this area will be permitted only to staff members who have an official AzMBA pass.
