

Dear Directors:

Welcome to the 10th Annual Rainer Marching Classic at Mesquite High School. The “Rainer Marching Classic” is a qualifier for the AZMBA Championships on November 11th. Today, we will be utilizing an AZMBA judging panel, including a critique session immediately following the competition. Enclosed, you will find our campus flow map, event schedule and critique schedule. Here is some of the information to help you for the event:

- Check in will be located just behind the away stands. We will distribute your wristbands and direct you to unloading from there.
- Once you unload, you are welcome to stage your props quietly on the practice field south of the stadium for quick pick-up on the way to your performance
- Warm-up zones will be located on the east end of campus, and in the school courtyard for color guards. Particular for warm up zones A and C, please be mindful not to point your sounds towards the stadium, there is not much sound shielding except for the school building itself.
- After you exit the field, feel free to return and load your trucks on the south end of campus. Be sure to stay on the stadium side of the sidewalk as bands may be arriving on the road behind.

We look forward to hosting you and wish you best of luck with your performance! If you ever have any questions feel free to ask one of our boosters or myself at any time

Sincerely,

David Willers, Director of Bands
Mesquite High School
