The MCGC Championships Committee will manage this event. Assigned volunteers will perform their duties at various stations as delegated by the Championships Committee. The contests could begin as early as 8:00 am; therefore, volunteers should be prepared to report for duty as early as 6:00 am. Volunteer duties conclude by 10:00 pm on Saturday and 6:00 pm on Sunday. We may need assistance with load-in (Friday evening) and strike (Sunday after 6 pm). These times are subject to change, based on the number of units in a competition. Forty+ workers are needed every shift for the contest to function smoothly and effectively. A shift system has been implemented in the past so that one worker does not need to work an entire day. Financial arrangements will be finalized upon acceptance of proposals.

Issues to consider:

- Will your volunteers want to work while your group is performing?
- Are your volunteers or organization willing to provide your own overnight housing if needed?
- How will your volunteers be fed throughout the day? (The Championships Committee recognizes that SVSU concessions are sub par, so volunteers may need to bring their own meals or make arrangements to travel off-site).
