

## Week 3

Hello MCGC! We are looking forward to our first competitive show at Novi High School this Saturday. Whether you are taking the floor or rehearsing, we hope you have a successful weekend ahead. Many of you have been dealing with challenging weather and the cancellations that come along with it- we know this time of year can be unpredictable and we see you making the most of the time you have. It is tough, but we are excited to see all you have worked on in the coming weeks!

### Scholarship Applications

Each year, MCGC is proud to offer a number of scholarships for members and educators to further their skills in the marching arts. Applications are open now through Sunday, March 1 at 11:59pm. Please pass this link and information along to your members.

### Save the Date for Solo & Ensemble

We are excited to bring back live Solo & Ensemble events in 2026! A special thank you to our Solo & Ensemble Committee for making this happen. Events will be hosted at the Carman-Ainsworth Show (March 14) and the Caledonia Show (March 21). More details will be shared soon!

### Code of Conduct Reporting

This year, all unit directors were asked to sign off on our Code of Conduct. It is important that all staff and volunteers of both individual units and the circuit adhere to this code. It is available for your review at our website. If you ever believe someone may be in violation, please submit a formal complaint at the form below (also available on our website).
