As safety is paramount to all performers, any type of flash photography is strictly prohibited. Family, friends and fans may take still photos of WGAZ events for personal use only. Small, non-professional, single frame "point & shoot" cameras are allowed into all venues. Any camera that has a detachable lens or lens that extends to four (4) or more inches is considered a "Professional Camera" and thus prohibited.

There is no video recording permitted at any WGAZ event. Any liability associated with unauthorized recordings will rest with the individual or organization making the recording. WGAZ does not condone, nor accept any liability for, any unauthorized recording during the event.
