

PINE TREE SPEC SHEET

Front Side Bleacher Rows: 18 Seating Capacity: 900 Approximate Ceiling Height: 40 ft

Units do not enter the competition area directly from the outdoors.

There are stairs to enter the performance gym.

There is electrical power available at the front and back sideline.

Units do not exit the competition area directly to the outdoors. However, after floor folding behind the performance gym, they must exit outdoors.

There are stairs between body and equipment.

There is a score board appx 35' above the competition floor.

There is plenty of indoor/outdoor space available for prop storage prior to performance.

The performance floor is a wooden gym floor that will have 1 vinyl tarp covering the floor.

The performance area tarp will be black and will measure a minimum of 60' X 90'. There will be a designated area to fold floors after the performance.

Each group will have one interval to fold their floor and exit this space.

There are separate areas for body and equipment.
