

Everman High School
1000 S Race St
Everman, TX 76140

Front Side Bleacher Rows: 19
Seating Capacity: 800
Approximate Ceiling Height: 25 ft

Units do not enter the competition area directly from the outdoors.

There is electrical power available at the front and back sideline.

Units exit the competition area directly to the outdoors walking under a covered awning while outdoors.

There is plenty of indoor/outdoor space available for prop storage prior to performance.

The performance floor is a wooden gym floor that will have 1 vinyl tarp covering the floor. There will be a particle board base on top of the gym floor under the tarp.

The performance area tarp will be black and will measure a minimum of 60' X 90'.

There will be a designated area to fold floors after the performance.

Each group will have one interval to fold their floor and exit this space.

There are separate areas for body and equipment.
