

Byron Nelson High School
2775 Bobcat Blvd
Trophy Club, TX 76262

Front Side Bleacher Rows:
Seating Capacity:
Approximate Ceiling Height:

There are small turns and ramps to contend with approaching the competition area at the ready line.

Units do not enter the competition area directly from the outdoors.

There is electrical power available at the front and back sideline.

Units do not exit the competition area directly to the outdoors.

There are half walls on the front and back of the performance gym.

There is plenty of indoor/outdoor space available for prop storage prior to performance.

The performance floor is a wooden gym floor that will have 1 vinyl tarp covering the floor.

The performance area tarp will be black and will measure a minimum of 60' X 90'.

There will be a designated area to fold floors after the performance.

Each group will have one interval to fold their floor and exit this space.

There are separate areas for body and equipment.
