

Peaster ISD is looking for an energetic person to lead and build our Color Guard program. We are a 3A band program in a rapidly growing community just off of FM 920 north of Weatherford. The guard program is brand new this year and this would be the perfect opportunity to help it develop from the ground up.

I'm particularly looking for someone who is fully certified and teaches a foreign language (Spanish) to help fill a HS campus need.

If interested, please send a resume to Jerry Goble, Director of Bands at [jgoble@peaster.net](mailto:jgoble@peaster.net).
