

# Guard Performance Photos 2020

As we have done in the past, Inspired Imaging will be shooting around 300-500 pictures during each championship performance. Instead of ordering individual photos, your guard can order the entire set of pictures for \$25. You will be able to download, print, email, and use the pictures to promote your guard on social media.

You can order 3 different ways:

1. Fill out this form, attach a check or cash for \$25, and leave it in the envelope at the check-in table.
2. Fill out this form and pay by cash, check, or card at the Inspired Imaging table in the vendor area.
3. Scan the QR code above and pay online (this option won't ask for your guard name so it would be helpful if you would email [inspiredimaging.com@gmail.com](mailto:inspiredimaging.com@gmail.com) with your name and guard info just to be safe).

If you have any questions, feel free to email Shawn at the address above!
