

Brock ISD is looking for a young and energetic person to lead and build our Color Guard program. Currently, Brock HS is a 3A band program and it is a rapidly growing community just 10 minutes west of Weatherford, Texas. Brock will provide a competitive pay scale.

We have competed regionally over the past 5 years in NTCA and WGI. We need someone with flag, rifle, sabre, dance, and some WGI/DCI experience. Duties would include early morning practices each day ending your day at our Junior High where you would start a guard feeder program this year. Duties would end at 10:25 each day. We also ask that you attend Monday evening practices and football once a week in the fall months and during the winter months as you prepare for winter guard competition.

All those interested, please send your resume to Matt Daily, Band Director for Brock ISD email - mdaily@brockisd.net
